FRANKFURT SPECIAL!

12 awesome new cars!

Nuts reveals the greatest new motors from Europe's biggest car show!

WANT TO know what supercars your team's centre-half will be blowing half a week's wages on very soon? Here are the answers, hot off the stands of last week's Frankfurt Motor Show...

FERRARI 458 SPECIALE

Basically a Scuderia with a different name. With supercar peddlers adding turbo power all around Ferrari, will this V8 be Ferrari's final naturally aspirated fury? Many think so, which probably explains why it's their most powerful. The 4.5-litre V8 jumps from 562 to 597bhp and sheds 90kg of flab. Dead sexy.

MOTOR: 4.5-litre V8, rear-wheel drive, seven-speed F1 paddleshift
POWER: 597bhp, 398lb-ft **MAX SPEED:** 210mph (est) **0-62:** 3.0secs
WALLET DAMAGE: £210,000 (est)

He was chuffed with his new company car

AUDI NANUK CONCEPT

Built for on- and off-road fun, this boasts an aluminium space frame and carbon fibre-reinforced plastic body panels, four-wheel steering, Quattro 4WD and adjustable air suspension, and the V10 diesel develops max grunt at just 1,500rpm. The first supercar to be able to cross a ploughed field! Probably.

MOTOR: 5.0-litre V10 diesel, Quattro all-wheel drive, seven-speed S Tronic
POWER: 544bhp, 737lb-ft **MAX SPEED:** 189mph **0-62:** 3.8secs
WALLET DAMAGE: N/A

Mini denied being on the 'roids

LEXUS LF-NX

Could this be the most radical-looking crossover of all time? Looking more like a storm trooper's helmet than a real car, the LF has a four-cylinder, 2.5-litre petrol engine with a hybrid boost under the hood. Lexus says: "We want this car to make its rivals look boring." It certainly does that! Expect to see it in production some time next year.

MOTOR: Four-cylinder 2.5-litre petrol engine with electric motor
POWER: 200bhp **MAX SPEED:** TBC **0-62:** TBC **WALLET DAMAGE:** N/A

WORDS: JONNY SMITH PHOTOS: FLYPHOTOS, WENN

"A roof? That'll cost extra, mate"

PORSCHE 918 SPYDER HYBRID

It's been around for a couple of years now, but Porsche's hybrid hypercar is now production-ready. As well as a 600bhp, 4.6-litre V8, there's a pair of electric motors adding 270bhp and making it 4wd and four-wheel steer. It'll do 93mph and 0-62 inside nine seconds on the 'leccy alone!

MOTOR: 4.6-litre V8 + two electric motors (90kW rear, 80kW front), seven-speed PDK double-clutch paddle gearbox, 4wd **POWER:** 870bhp, 943lb-ft **MAX SPEED:** 214mph **0-62:** 2.8secs **WALLET DAMAGE:** from £657,400, on sale late '13

"To be honest, I'm feeling a bit blue"

VOLKSWAGEN GOLF R

Behold, the fastest factory VW Golf ever! It boasts the same 2.0-litre turbo as Audi's new S3, and the "4motion" all-wheel-drive can allow 100 per cent of the power to the back wheels when necessary, which could be a hoot. It rides 20mm lower than a normal Golf and wears subtle bodykit and 18in rims.

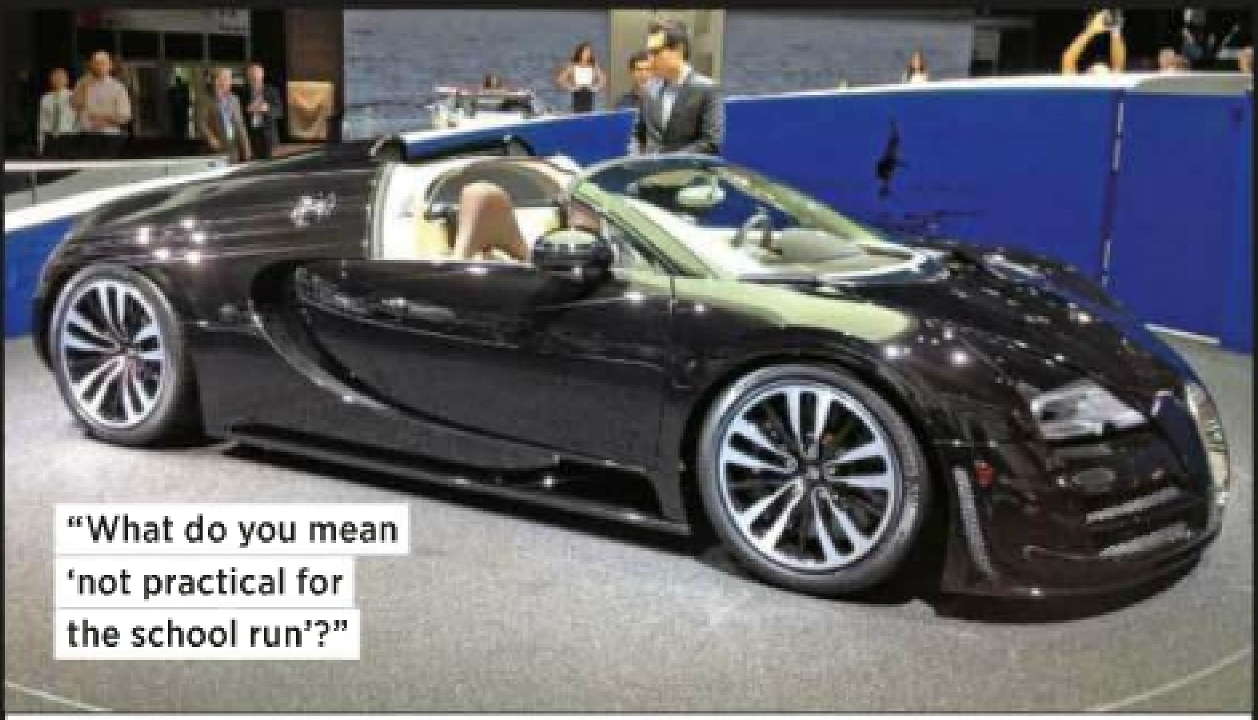
MOTOR: 2.0-litre turbo, four-wheel drive, six-speed DSG or manual
POWER: 296bhp, 280lb-ft **MAX SPEED:** 155mph (est) **0-62:** 4.9secs
WALLET DAMAGE: from £30,000 (est)

"Happy 45th birthday, dear!"

MERCEDES CLA 45 AMG RACING

This is a bit cool, isn't it? It's not road legal but it is a race-ready Merc with the world's most powerful production four-cylinder turbo engine. You can spec it as a front- or four-wheel drive, but all come with wider track, adjustable suspension, AMG brakes, carbon arches, sills, rear wings and XL spoiler.

MOTOR: 2.0-litre turbo, front-or all-wheel drive, seven-speed paddleshift
POWER: 360bhp, 332lb-ft **MAX SPEED**: 170 mph (est) **0-62:** 4.3secs (est)
WALLET DAMAGE: from £130,000 (est)



"What do you mean 'not practical for the school run'?"

BUGATTI "JEAN BUGATTI" VEYRON GRAND SPORT

They're only making three of these homages to Jean Bugatti, creator of the stunning vintage 57C Atlantic. For your £1.92m, you get platinum badges, clear lacquered carbon-fibre body, a rosewood gear knob and Jean's autograph laser-etched into the petrol and oil caps. Which is nice. Expensive, but nice.

MOTOR: 8.0-litre W16 quad turbo, all-wheel drive, 6-speed paddle
POWER: 1200bhp, 1106lb-ft **MAX SPEED:** 256mph **0-62:** 2.6secs
WALLET DAMAGE: £1.92m

"Shame we ran out of orange paint"

PEUGEOT 308 R

Pug's potent hot hatch packs a 266bhp, 1.6 turbo, delivering 0-62 in 5.9 – half a sec quicker than the Performance Pack-equipped Golf GTi! Add a Torsen limited slip diff, 26mm lowering job, 30mm wider track and lashings of carbon fibre, and you've got a worthy weapon for hot hatch warfare.

MOTOR: 1.6-litre turbo, front-wheel drive, six-speed manual
POWER: 266 bhp, 243lb-ft **SPEED:** 146 mph (est) **0-62:** 5.9secs
WALLET DAMAGE: £25,000 (est)

ALL-NEW BEEMER!

"If I flap them hard enough, maybe I'll take off!"

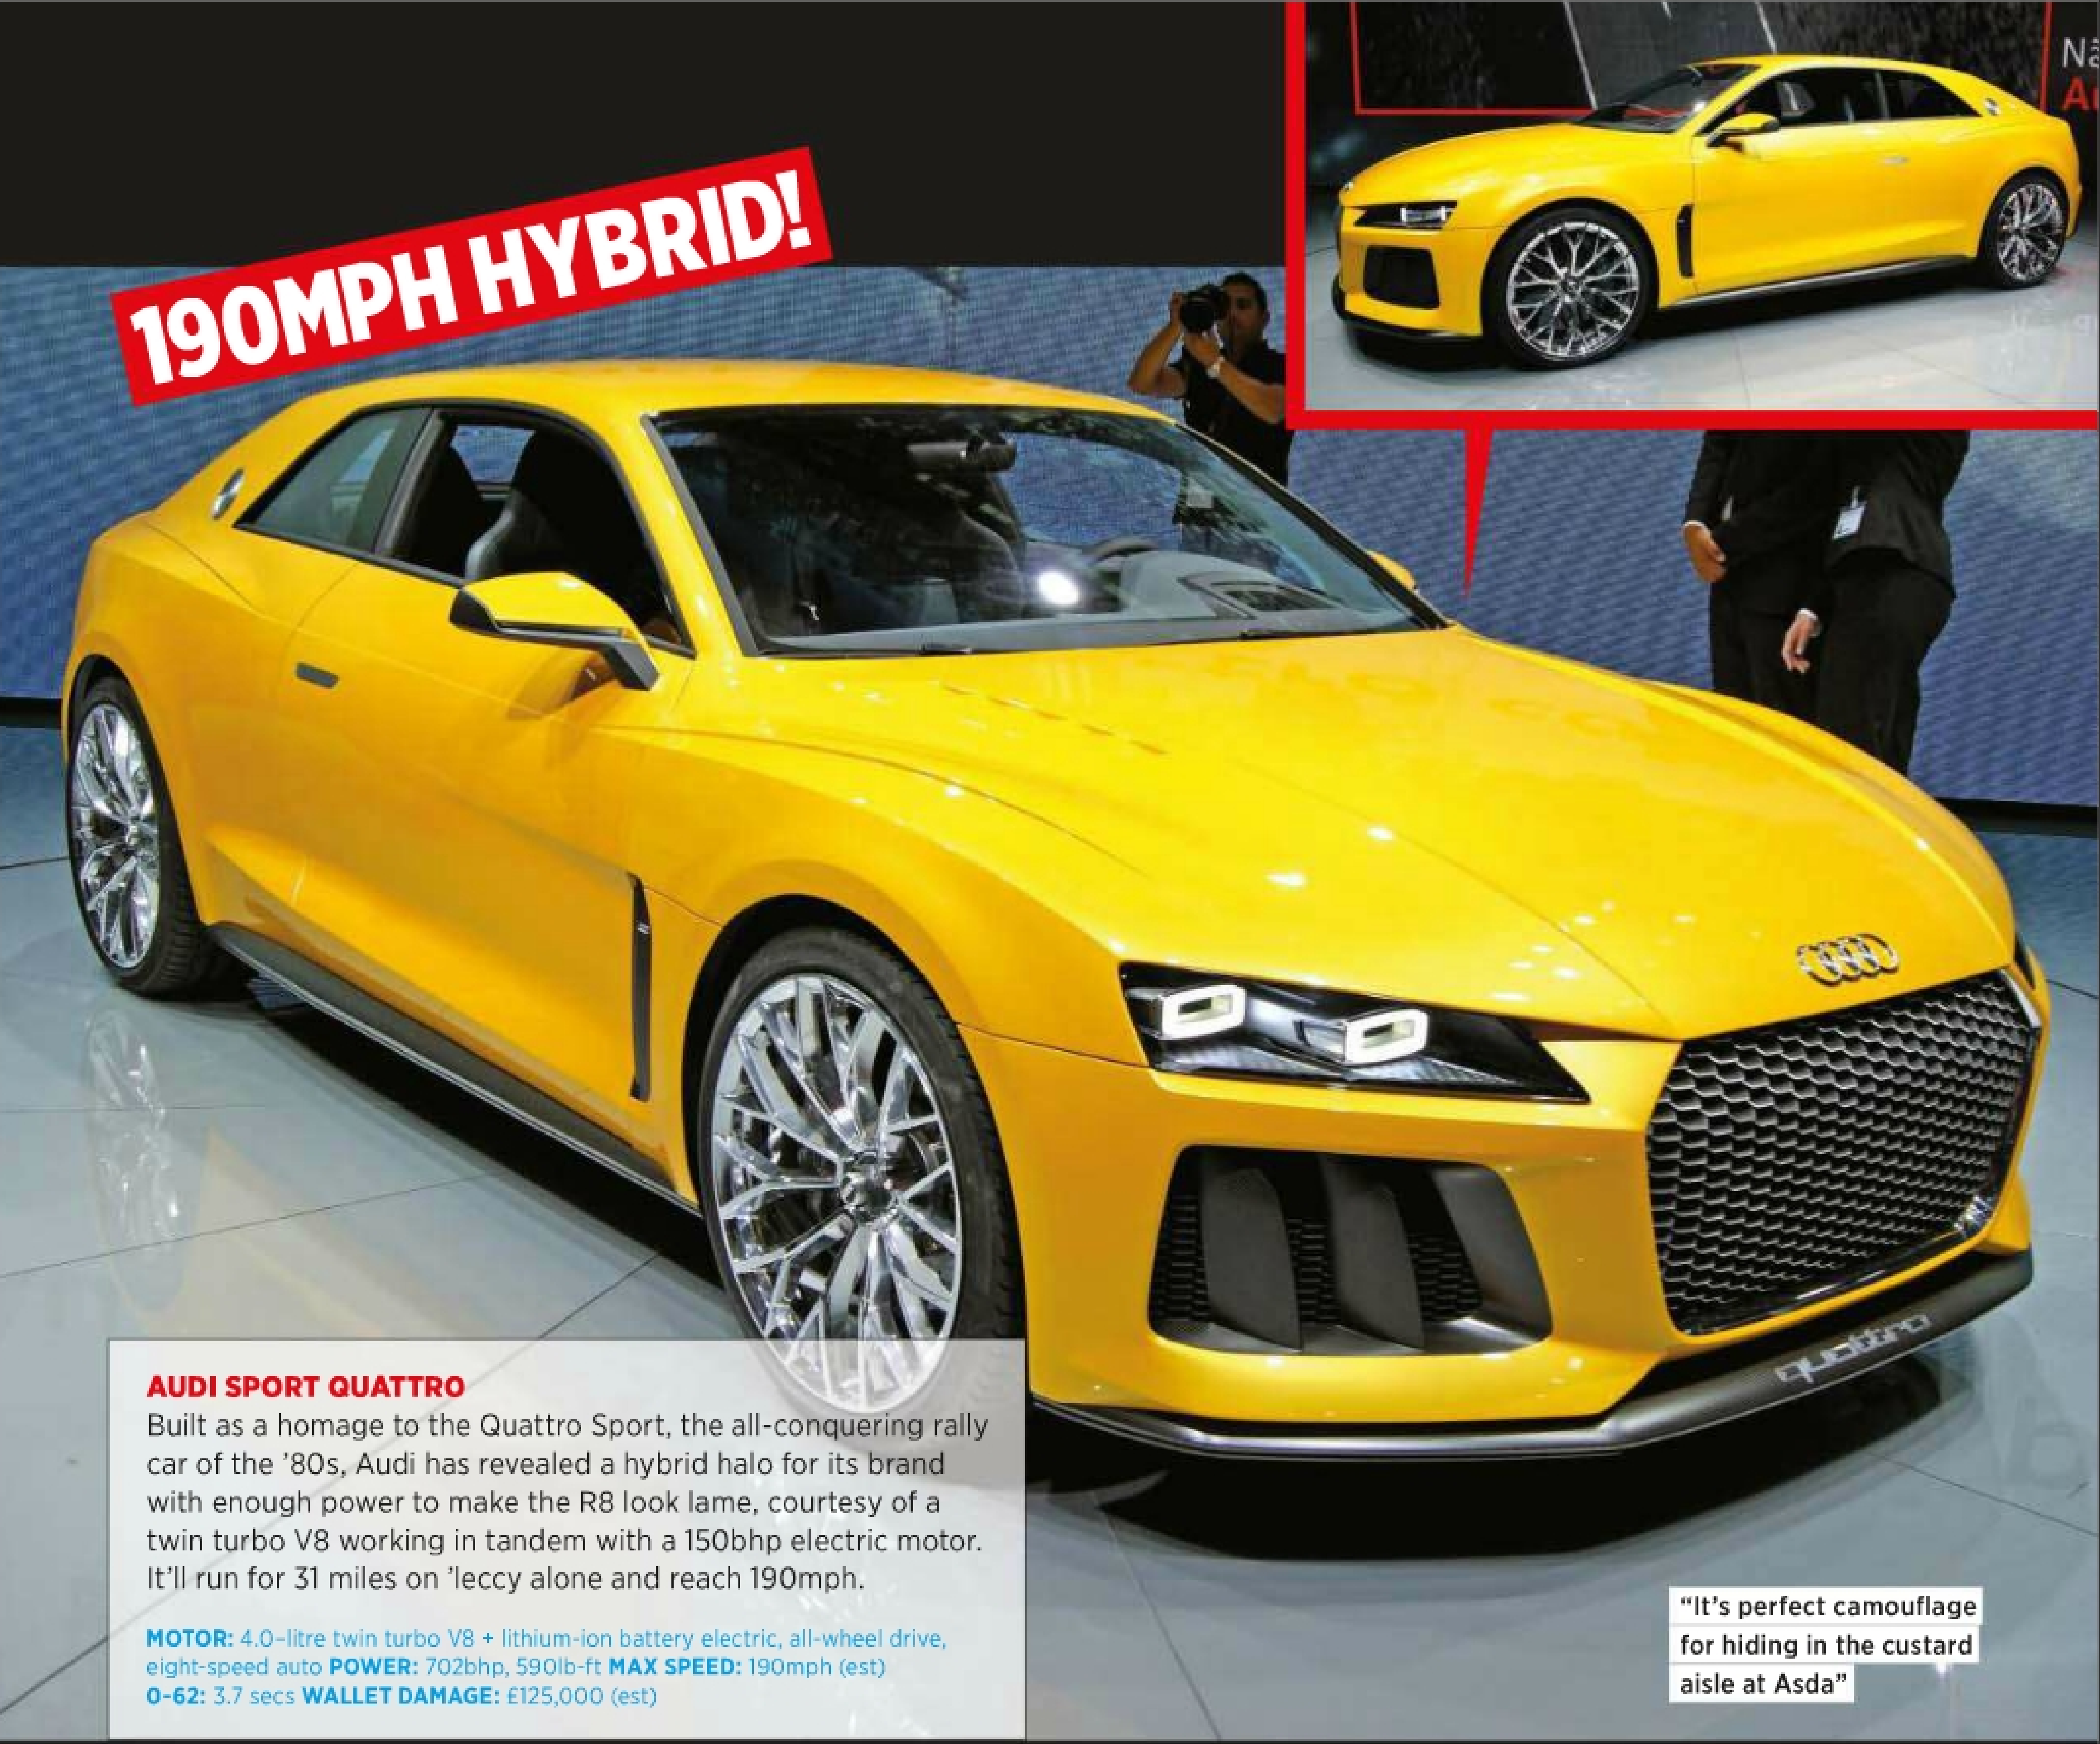
BMW I8

The finished version of BMW's hybrid GT has a mid-mounted 128bhp, 1.5-litre turbo petrol motor plus a 10kw electric motor driving the back wheels, and another 10kw electric motor up front. Although the power figures look low on paper, the i8 is much lighter than other cars (less than 1,500kg).

MOTOR: 1.5-litre three-cylinder turbo plus 2x10kw electric motors, all-wheel drive, six-speed auto **POWER:** 348bhp, 406lb-ft **MAX SPEED:** 155 mph (limited) **0-62:** "Less than" 4.6secs **WALLET DAMAGE:** £85,000 (est)

"But where am I going to attach the caravan?"

190MPH HYBRID!

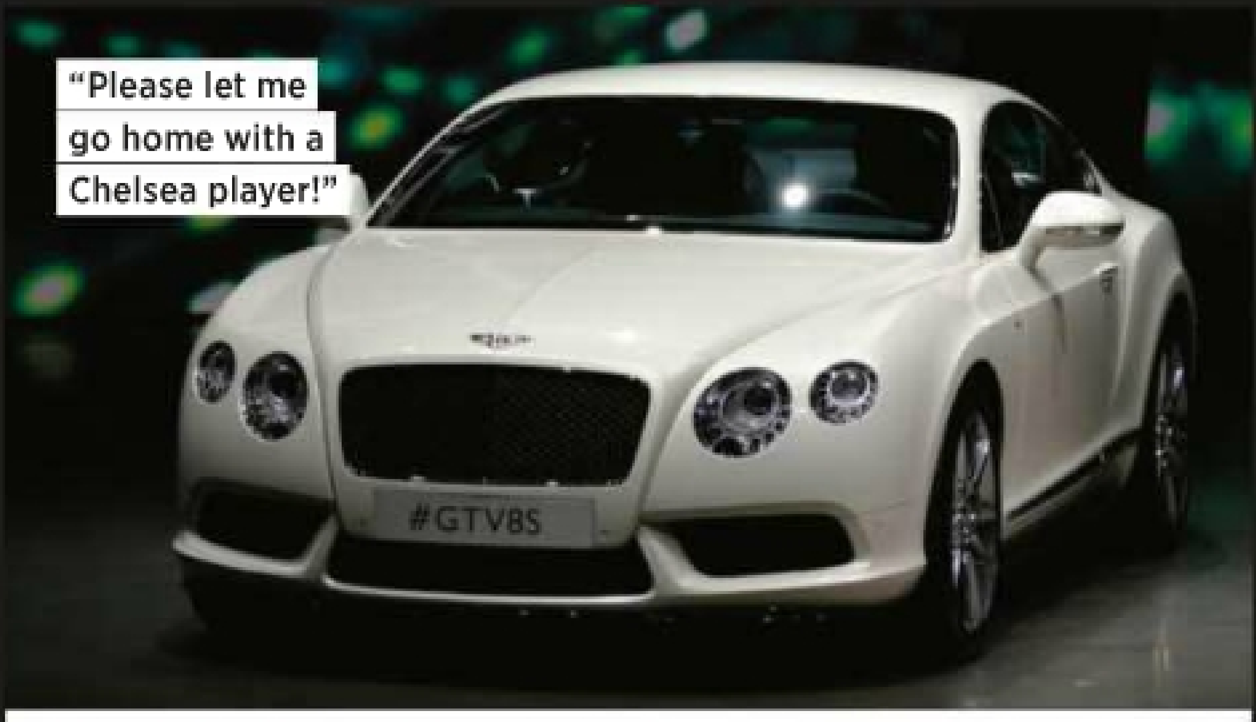


"It's perfect camouflage for hiding in the custard aisle at Asda"

AUDI SPORT QUATTRO

Built as a homage to the Quattro Sport, the all-conquering rally car of the '80s, Audi has revealed a hybrid halo for its brand with enough power to make the R8 look lame, courtesy of a twin turbo V8 working in tandem with a 150bhp electric motor. It'll run for 31 miles on 'leccy alone and reach 190mph.

MOTOR: 4.0-litre twin turbo V8 + lithium-ion battery electric, all-wheel drive, eight-speed auto **POWER:** 702bhp, 590lb-ft **MAX SPEED:** 190mph (est) **0-62:** 3.7 secs **WALLET DAMAGE:** £125,000 (est)

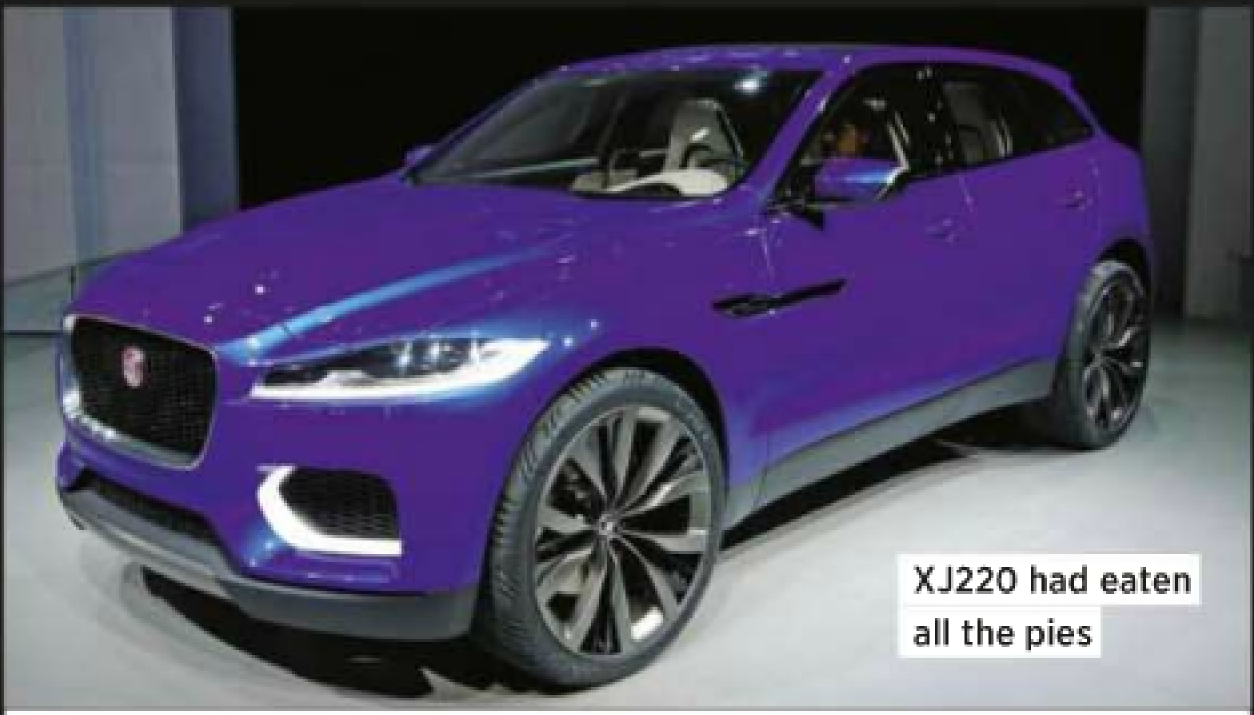


"Please let me go home with a Chelsea player!"

BENTLEY CONTINENTAL GT V8 S

The best-selling footballer favourite has been tweaked for both power and top end. The vital stats compared to the entry level GT V8 show a 21bhp rise, 15lb-ft swell and 4mph improvement. There's also been some suspension tweakage in the form of 10mm ride height drop and stiffened anti-roll bars.

MOTOR: 4.0-litre twin turbo V8, all wheel drive, eight-speed auto **POWER:** 521bhp, 502lb-ft **MAX SPEED:** 192mph **0-62:** 4.7secs **WALLET DAMAGE:** from £128,000 (est)



XJ220 had eaten all the pies

JAGUAR C-X17 SUV

Your eyes aren't failing you. This is Jaguar's first stride into the SUV-crossover world, a tidy-looking all-aluminium machine with XJ looks. Jag's part of the Land Rover group, so you can bet the 4x4 mechanics will be shared with something like the Range Rover Evoque – although this thing's 40cm longer.

MOTOR: 3.0-litre V6 supercharged, intelligent torque vectoring all-wheel drive, eight-speed auto **POWER:** 340bhp, 332lb-ft (est) **MAX SPEED:** 160mph (est) **0-62:** 5.5secs (est) **WALLET DAMAGE:** Concept car. Not for sale. Boo!

Keep up with the Jones in her brand new calendar!

IT'S ONLY September, but already there's a good reason to look forward to the New Year: Rosie Jones' amazing 2014 calendar!

Thing is, there are mixed messages coming from Jonesy. Obviously, she's even more gorgeous than ever – check out the way she looks at the camera from behind her fringe – but there's one problem: she seems to have mislaid most of her clothes. What sort of message is that, Rosie?

On the plus side, Ms Jones has embraced digital technology. Not only is her calendar available in paper form but it'll also be found in a space-age app version – just the thing for some iPad ogling.

Looks like 2014 will be a good year after all!

GTA V first review!

Rated – the biggest game of 2013!

OVER FIVE years in the making and out now, it's finally time to meet Michael, Franklin and Trevor in the enormous, virtual playground of Los Santos.

We've been lucky enough to have our hands on GTA V for a week – now it's time to find out if the most anticipated game of 2013 is also the best. Here's a hint: it's good news!

"I wonder how far the nearest Wimpy is..."

MISSIONS!
The meat of the *GTA* experience – you spend most of your time focussing on the expected mix of drug-running, kidnapping, killings and yoga! You can now replay any mission at any time to improve your rating.

"Just hand me the Curly Wurly and nobody gets hurt"

HEISTS!
These are the big-ticket events. Planned by your co-conspirator Lenny, these are blockbuster missions – and where hot-swapping between your boys really shines, as each takes on a different section.

"Vinewood? Damn it, I was aiming for Brentwood"

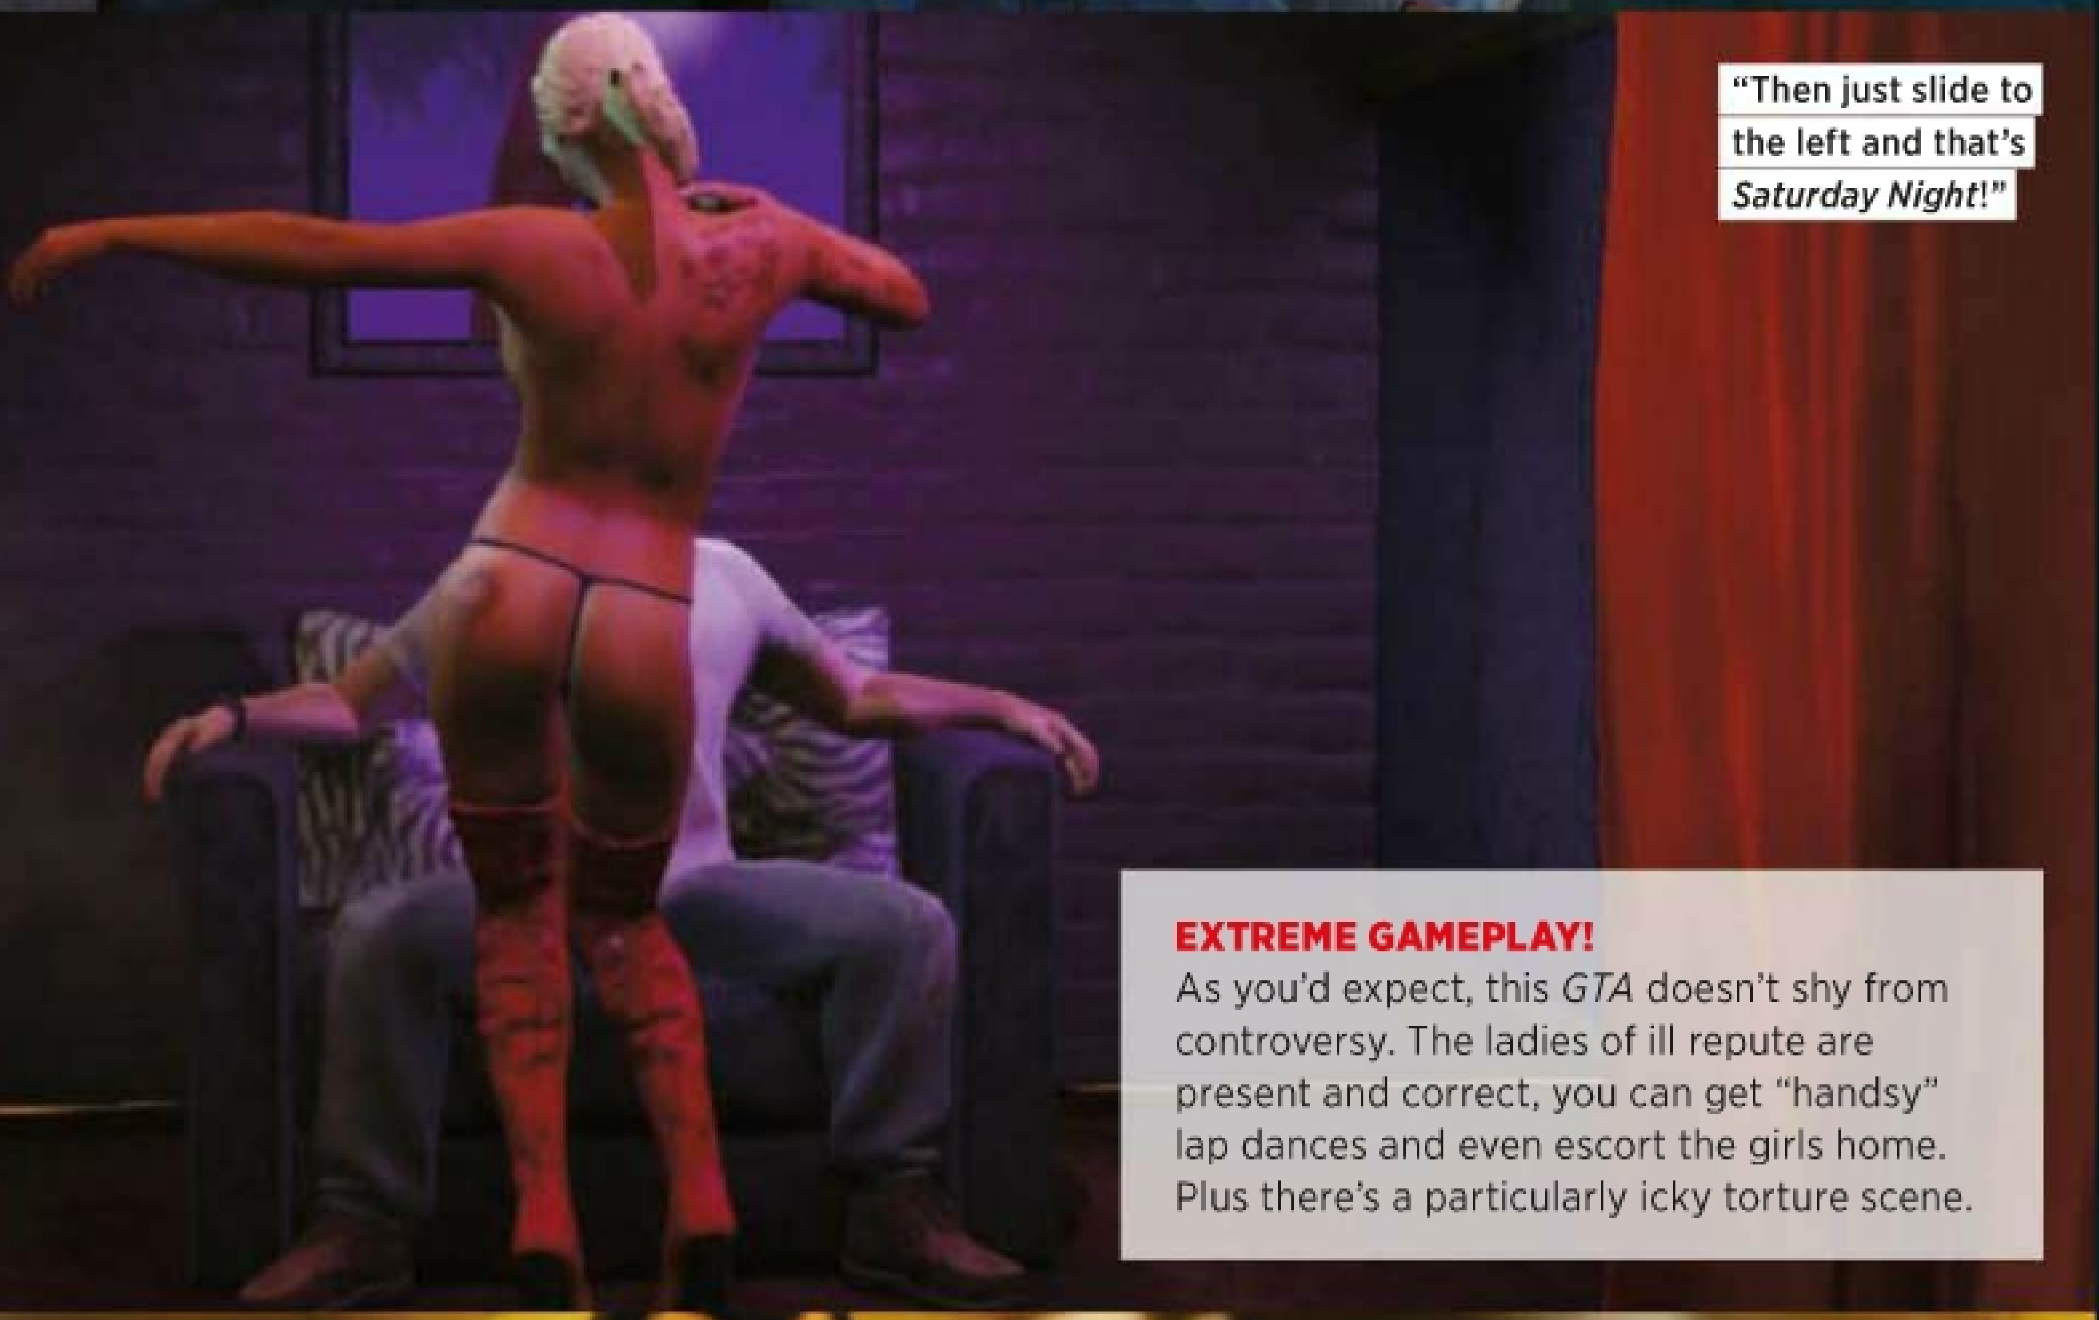
SAN ANDREAS!
The real star of the game. It's intimidatingly huge, every cranny is utterly gorgeous and you can get lost in its boulevards, nodding along to a radio station of your choice. An incredible technical achievement.

RORY'S DEEP IN THE GAME!

Nuts' gaming twerp Rory buried himself in *GTA V* for a whole week to bring you this exclusive!

"Why do you always get to be the monkey?"

STRANGERS AND FREAKS!
These are wee bonus missions dotted around. They include Michael toking on a doobie and fighting off hallucinated aliens, paparazzi-snapping quests and a British OAP celebrity knick-knack-hunting couple.



"Then just slide to the left and that's *Saturday Night!*"

EXTREME GAMEPLAY!
As you'd expect, this *GTA* doesn't shy from controversy. The ladies of ill repute are present and correct, you can get "handsy" lap dances and even escort the girls home. Plus there's a particularly icky torture scene.

"Oops... did I explode something again?"

Verdict!

Magnificent is a word bandied about willy-nilly these days. But it's *GTA V* in a word. Magnificent. If there's a better game this year, we'll batter our controller, deep fry it and eat it with chips.
★★★★★

10 *GTA V* secrets!

Weird stuff in Los Santos!

1 YOU MEET JESUS!
He's a beardy chap called "Jesse" who hangs about by the pier, talking about his dad, who "travels a lot".

2 TREVOR IS AFRAID OF CLOWNS!
In a mission, Trevor takes some bad drugs and hallucinates his biggest fear – evil clowns!

3 TRAIN YOUR DOG!
Once you're given your rottweiler, Chop, you can teach him tricks via an app you can download to your phone called iFruit.

4 YOGA MISSION!
Michael is forced to do yoga by an instructor called Fabian – you have to hold poses with the thumbsticks and breathe with the triggers!

5 ENGLISH PRINCESS!
One mission has you papping a young royal scoring some drugs in a car park!

6 RANDOM CRIME HAPPENS!
You often drive past impromptu stick-ups. You can choose to chase down the perps, and to keep or return the loot.

7 UPGRADE GUNS!
As well as buying hardware, Ammu-nation now stocks gun upgrades like bigger clips, silencers, special sights and some seriously snazzy paint jobs.

8 CARA DELEVINGNE'S A RADIO DJ!
The wacky English model DJs for the Non Stop Pop radio station – one of 16 stations to select.

9 TREVOR LIKES TO GET HIS JUNK OUT!
He does it all the time! And as he says: "Mine ain't nothing special, but this boy gets the job done!"

10 ...AND HE HAS SEX WITH TEDDY BEARS!
One of the support character's beloved soft toys, Mr Raspberry Jam, gets dressed up in ladies' undies and, well, "eye-socket-loved" by Trevor.

INVESTIGATION!

Miley Cyrus – NSFW!

Official: she'd be slung off site!

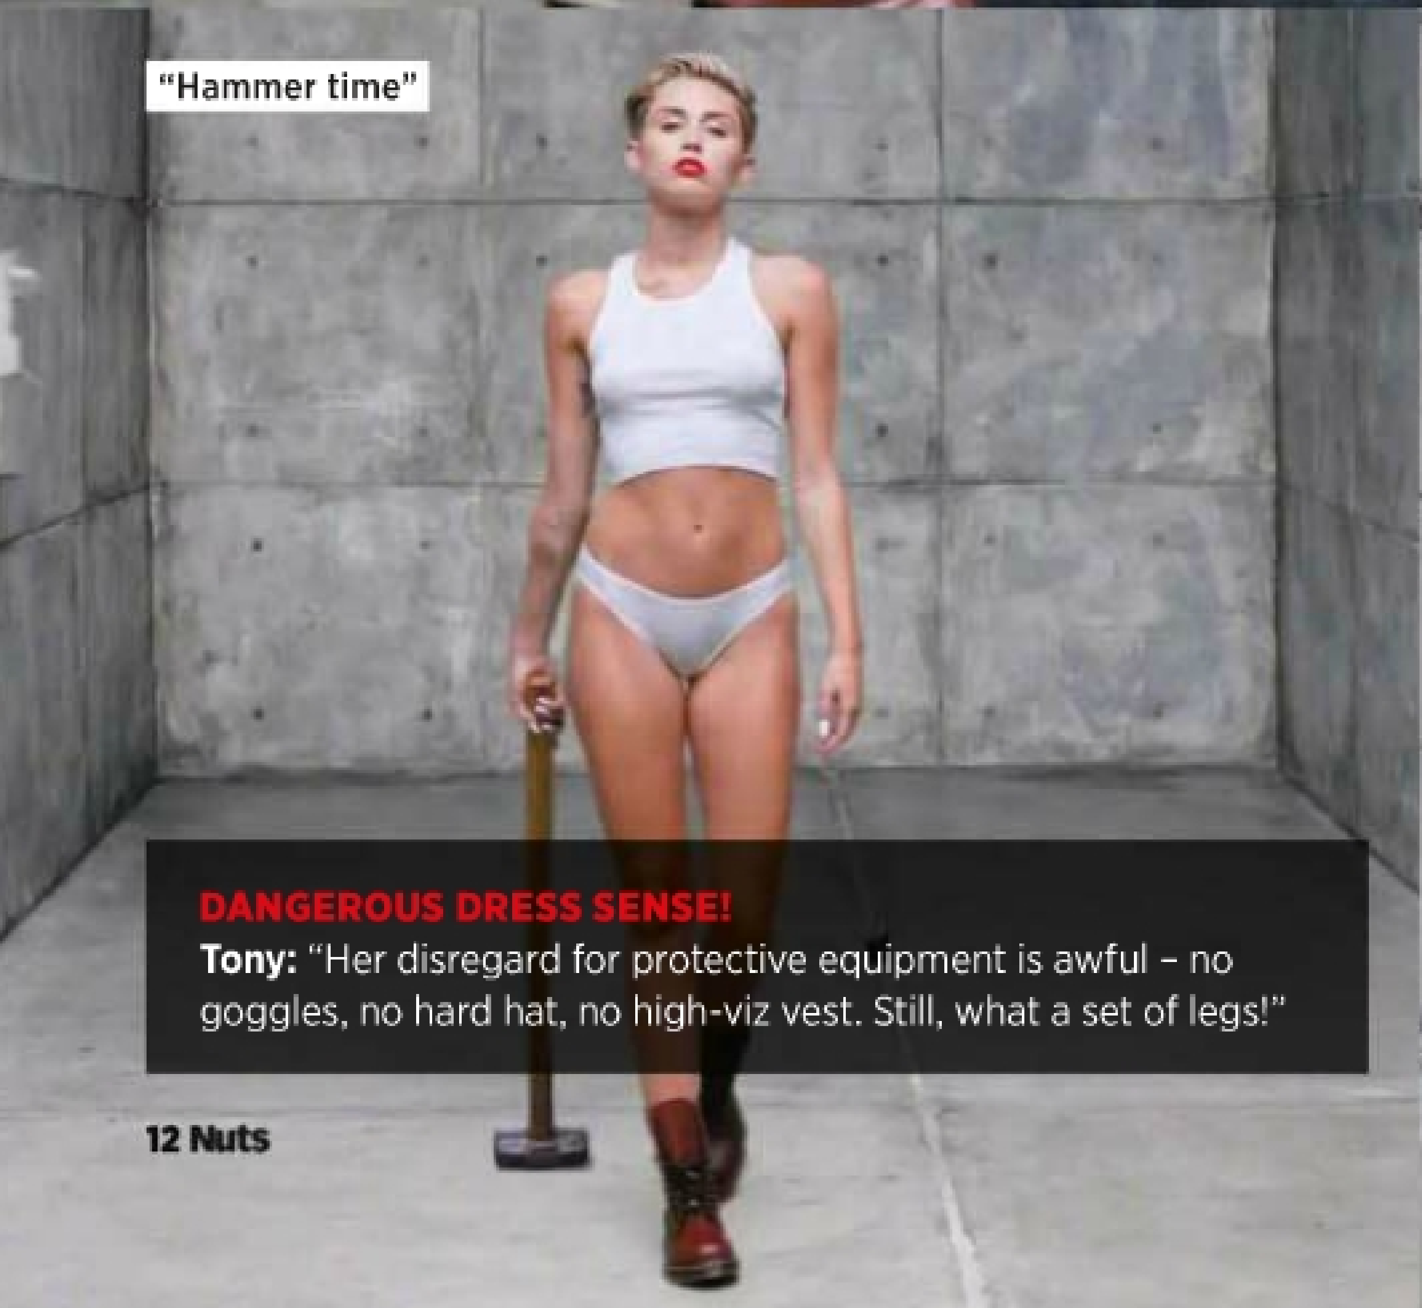
NOT SAFE for work: that's the damning verdict of a respected health and safety advisor after seeing Miley Cyrus' latest video. In a promo for her single *Wrecking Ball*, Miley cavorts around a construction site semi-naked – endangering herself and other people!

Health! Safety!

We asked Tony Bodicombe, a health and safety officer with 40 years' experience in construction, for his view. Here's his take on Miley's shenanigans!

RISK OF LOCALISED CHAFING!
Tony: "Sitting on a wrecking ball without the correct safety wear? Crazy. Her thighs are at serious risk of localised chafing!"

WORDS: NICK SOLDINGER, ANTHONY TEASDALE PHOTOS: PLANET PHOTOS, XPOSURE



"Hammer time"

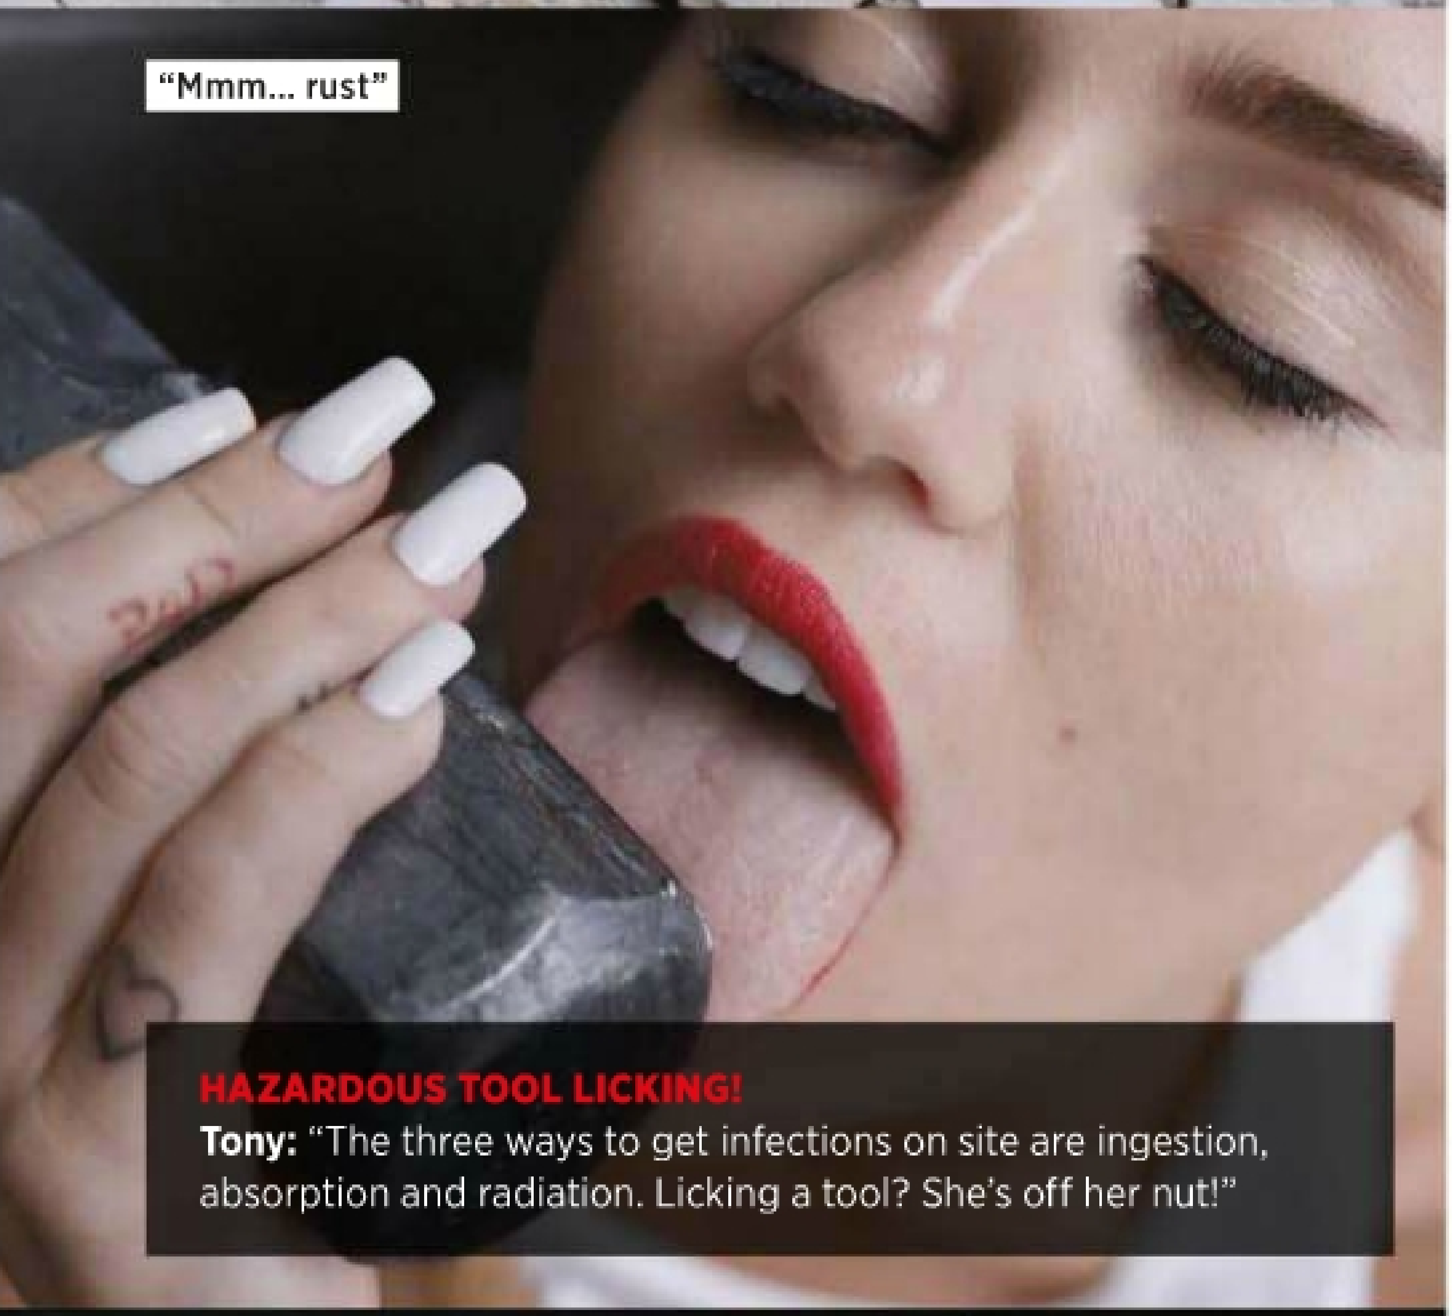
DANGEROUS DRESS SENSE!
Tony: "Her disregard for protective equipment is awful – no goggles, no hard hat, no high-viz vest. Still, what a set of legs!"

"Ugh, Fruit of the Loom!"

ACCIDENT WAITING TO HAPPEN!
Tony: "A banksman's job is to direct a crane. She should be in a safe area, not in front of the wrecking ball. She'll lose her teeth!"

"I had a small twerking accident"

PERILOUS LOUNGING!
Tony: "This worries me. Lounging around in rubble is a bad idea. Sharp edges, abrasions, dust infections… it's a bloody nightmare!"



"Mmm… rust"

HAZARDOUS TOOL LICKING!
Tony: "The three ways to get infections on site are ingestion, absorption and radiation. Licking a tool? She's off her nut!"

"That's what you get for dissing my barnet"

DAMNING VERDICT!
Tony: "I'd ban her from the site. Sorry, Miley, you wouldn't cut it in construction. Stick to the old pop stardom lark, yeah?"

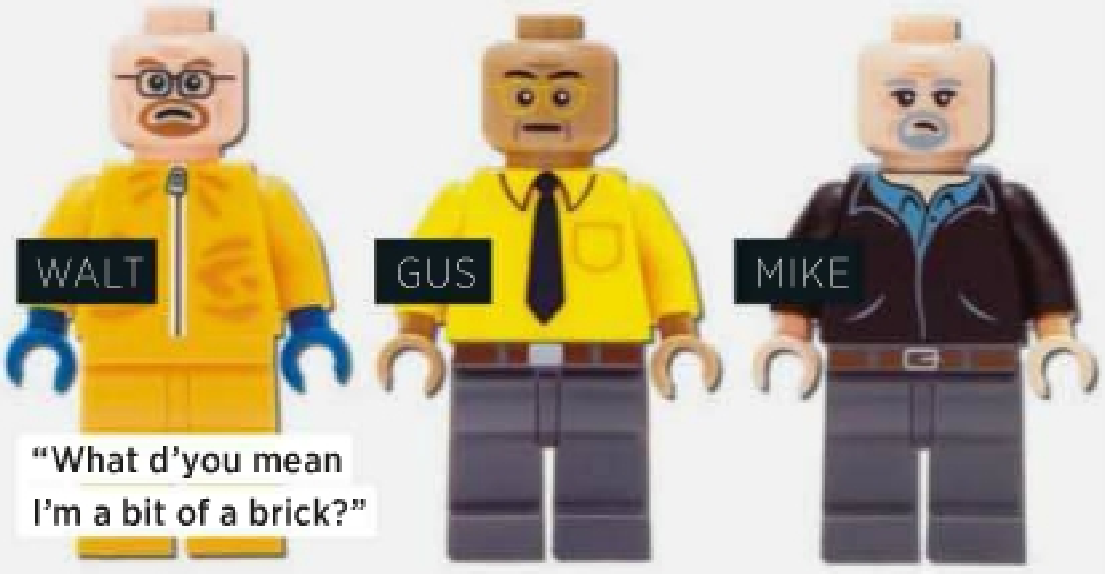
Small-time crooks!

Toys gets nasty with *Breaking Bad*!

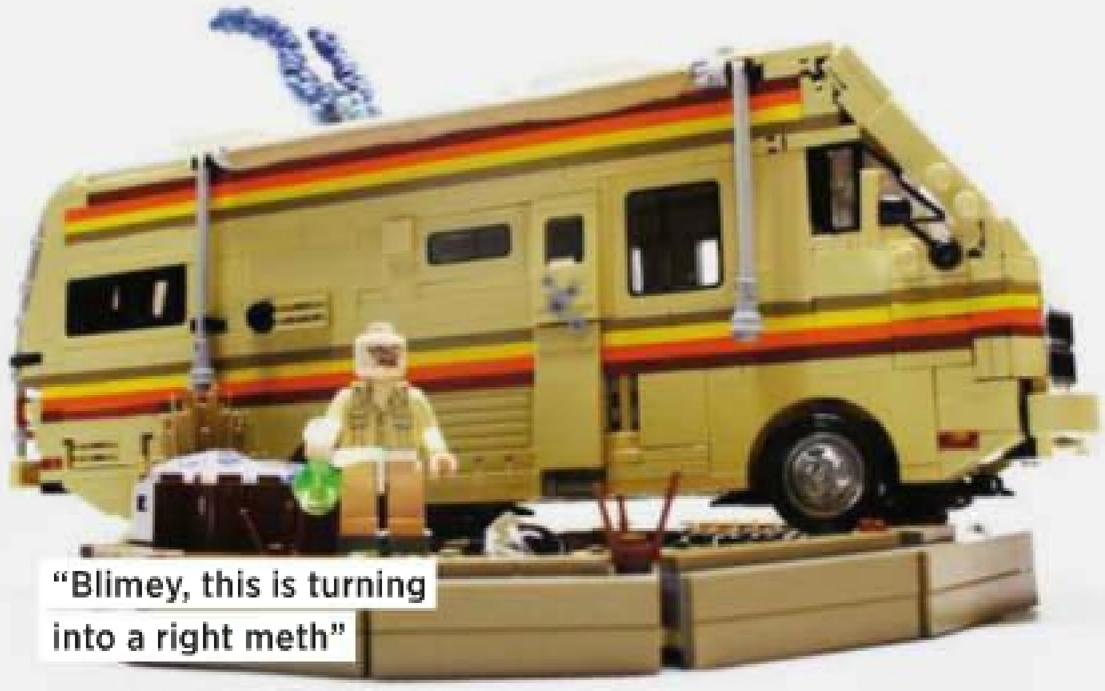
A CRYSTAL meth laboratory isn't exactly the natural inspiration for a child's play set, but toymakers Citizen Brick have used hit TV show *Breaking Bad* as their starting point for a Lego-like model called "Super Lab".

The series is based around the life of chemistry teacher-turned-drug producer, Walter White, so they've constructed a replica of his caravan-cum-laboratory. Even better, White has been transformed into a cutesy miniature, complete with protection suit.

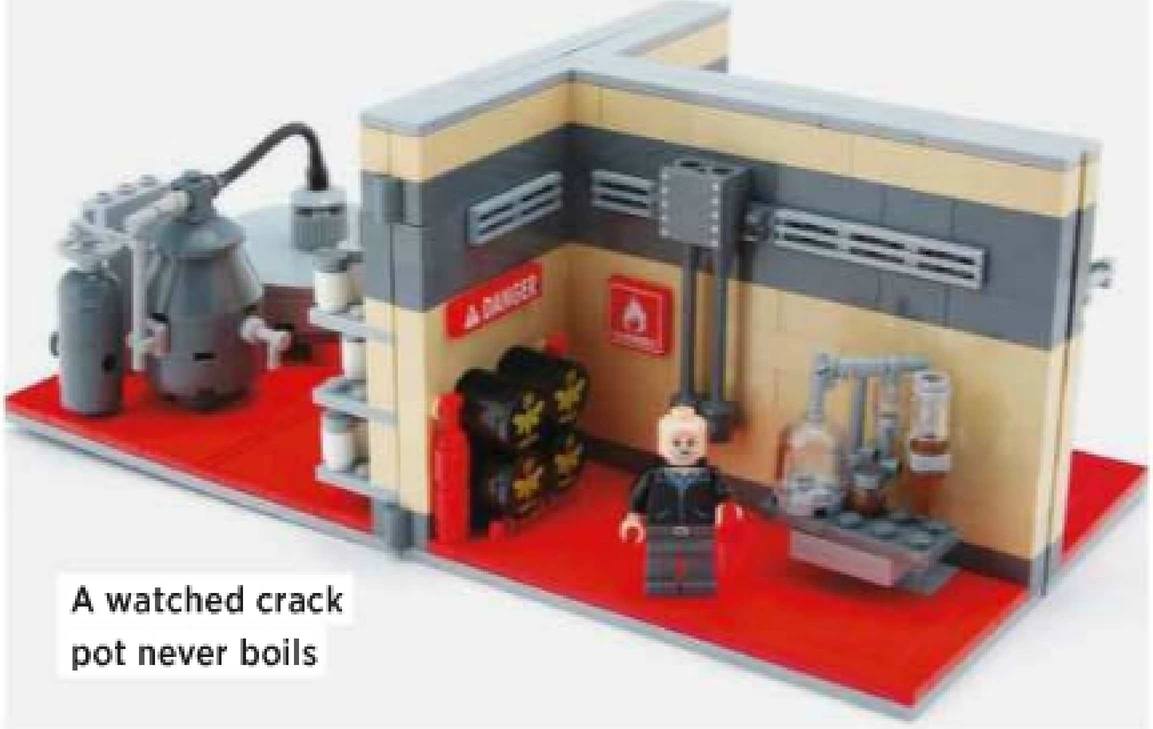
However, with 500 parts to construct in the £160 toy, you'll need more than a little patience before you can have a crack at finishing it.



"What d'you mean I'm a bit of a brick?"



"Blimey, this is turning into a right meth"



A watched crack pot never boils

Killer pillar!

Courageous climber conquers column of ice!

THERE'S NOTHING more invigorating than a light climb. But while *Nuts* even gets vertigo at the sight of Snowdon on a map, American climber Sam Elias laughs in the face of danger by scaling stuff like this, the – wait for it – Fang in Colorado.

An ice pillar that forms from a waterfall each year, the 100ft Fang presents a huge challenge for mountaineers – one was seriously injured when it collapsed three years ago. As for Sam, he whizzed up it in 25 minutes. It'd have been even quicker if he'd just used a big ladder.

Brand new iPhones!

Apple delivers double blow to Android rivals!

YOU KNOW we're living in strange times when the release of a telephone is more exciting than a vital England World Cup qualifier, but there's no doubt that the launch of a new iPhone is big news.

With the company's share of the smartphone market dwindling under pressure from the likes of HTC and Samsung, Apple has decided to fight back with not one, but two 4G-ready devices: the candy-coloured iPhone 5C and the top-end 5S.

Are they any good? Will they make you more successful with women? There's only one way to find out... a detailed analysis of their features!

Touch ID is ready. Your print can be used for unlocking your iPhone.

FINGERPRINT ID! Instead of a PIN, you'll be able to open your iPhone with Touch ID – a sensor that matches your finger to an already-stored print. Revolutionary!

iPHONE 5S

UNDER THE HOOD! The 5S is powered by the new 64-bit A7 processor which should make it twice as fast as the iPhone 5.

CAMERA CLUB! Forget about beefing up the megapixels – it's still got all eight of them. Apple has increased the camera's image sensor size for better pictures in low light, though.

SLOW DOWN! The 5S now comes with the capability to produce slow-motion videos, so you can film your idiot mate falling off an off-licence roof in painful detail.

VERDICT! There's no doubt that the iPhone 5S will provide a brilliant user experience – especially running the new iOS 7 operating system. We're big fans of the new camera and love the gold, silver and grey colouring. Best phone in the world? Android fans will probably disagree, but if there's anything that'll convince them to convert, this is it.

SEVENTH HEAVEN!
It has the same A6 chip as the 5 but will run iOS 7 – the new "flatter" operating system. And in a challenge to the likes of Skype, it'll now allow you to make calls over the internet.

COLOUR VISION!
Far from being a "cheap" version of the iPhone, the 5C is basically an iPhone 5 with a smooth plastic backing that's available in green, yellow, blue, white and pink.

iPHONE 5C

SCREEN TEST!
Unlike the almost-TV-like proportions of offerings from Samsung and HTC, the screen will be the standard 4in size.

BATTERY LIFE!
Despite the similarities to the iPhone 5, Apple claims that the battery life in the 5C will be longer, one charge giving the user ten hours of talk and browsing time (though not together).

PRICE!
£469 without contract. Again, cheaper with one.

VERDICT!
Current owners of the iPhone 5 should swerve this one – there's hardly any difference between the two models. If you've got a 4 or 4S and are looking to upgrade, we think the 5S is the better option – and it's only £80 more. Despite this, the 5C will still be a great phone, and the colourful exterior will appeal to some (ie six-year-old children).

The Borrowers obsession had gone too far

It's Paris in China!

Chinese replicate French capital – but it's deserted!

WHILE CHINA may have a great economy, its location means that it can feel out on a limb. Maybe that's why a near-life-size version of Paris has been built in Zhejiang province, complete with a 354ft Eiffel Tower. But nobody wants to move there!

Built as a gated community, Tianducheng has space for a 100,000-strong culture-hungry population, but so far, only 2,000 have moved in, leaving it a ghost town.

Solution? Developers should make it more realistic by hiring a load of blokes to walk around with their hands up.

From the writer of *Trainspotting*, be one of the first to see *Filth*!

➔ **A BIPOLAR,** bigoted, junkie cop schemes, manipulates and hallucinates his way through the festive period, until eventually, he finally meets his match... himself.

Scheming Bruce Robertson, a bigoted and utterly corrupt policeman, is in line for a promotion and will stop at nothing to get what he wants. Enlisted to solve a brutal murder and threatened by the aspirations of his colleagues, Bruce sets about ensuring their ruin, right under the nose of his boss, the unwitting Chief Inspector Toal.

As he turns his colleagues against one another by stealing their wives and exposing their secrets, Bruce starts to lose himself in a web of deceit that he can no longer control. As his shady past slowly begins to catch up with him, a missing wife, a crippling drug habit and suspicious colleagues start to take their toll on his sanity.

Adapted from the highly acclaimed novel by iconic *Trainspotting* author Irvine Welsh, *Filth* reveals in Bruce Robertson one of the most corrupt and misanthropic coppers in modern British fiction. His tale unfolds as a dark, disturbing and very funny journey through sleaze, power, and the abuse of absolutely everything.

Lacey Banghard!

Summer's gone – boo! But Lacey's back – yay!

LACEY IN *BIG BROTHER*!

Back in January, Lacey lasted 13 days in *Celeb BB* before she was evicted.

Hey Lacey! How the devil are you?
I'm good, thank you! I love a good *Nuts* shoot.

So what's the rudest thing you've seen recently?
I was at V Festival last month and there was a girl with her boobs out. I was like, "Wow!"

How was the festival?
It was amazing. I love festivals. Sadly there'll be no more this year but I'm going to New York soon and then Ibiza, so I think I'll have had my fair share of holidays before the year's up! I go away with the other *Nuts* girls a lot, too.

Are you still amazed by how hot your fellow *Nuts* babes are?
Yeah! Sometimes I see one and I'm like, "Oh my God, her figure is amazing!"

Did you watch any of the latest series of *Celebrity Big Brother*?
Yeah! I can't believe how long it's been since I went in – I really want to go back there. I go there quite a lot to film *Big Brother's Bit On The Side*, but when I saw Louie Spence was going in I wanted to be back in the house. I got a crappy line-up!

What did you make of sexy *Nuts* cover girl Charlotte Crosby being in there?
Well, with Charlotte, I didn't really see the point because she's already so good on *Geordie Shore*. When I heard she was going in I just thought, "She's going to be toned down!"

When you go back, do they let you into the camera run to see what it's like on the other side?
No, but I'm going to ask next time I'm there now!

Thanks, Lacey! Finally, what else have you got lined up for autumn?
My condom range is being launched soon! The brand is called Banghard, Bangsafe. I'm also looking to launch a sex toy range after. ✖

EXAMPLE
Vs the *Nuts* Question Bucket!

The top pop bloke spills the beans on his mad life!

The rules re simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

Hello Example! Your new single is called *In All The Wrong Places.* Have you been sticking things in the wrong places?

"Ha! Not since my wedding night!"

Your greatest hits album *Hits* is also out. Does this mean you're going to retire soon?

"No. My old record label wanted to cash in so they put out a singles compilation. I don't think I've been around long enough to deserve one, but you can't argue with the fact that I've had 18 Top 40 singles!"

Were you really offered the Robbie Williams part on Dizzee Rascal's song?

"Yeah, I was. Dizzee called me and sent over the beat. I just didn't really like it – I didn't think it was me –so I politely declined. Dizzee went, in his own way [does really good impression], "Yeah, so what, man? I'll go get Robbie Williams, innit?" And he did, and it was a hit. So fair play!"

You once said you'd write a column for *Nuts* if you ever had a number one single. Does the offer still stand?

"Why didn't you ask? Just ask me! I tend to get all my work done on planes 'cos I'm doing five or six flights a week. I wrote *All The Wrong Places* on a plane. Anything to do with writing or typing I do at 30,000 feet, 'cos it's the only time when my phone's not going off, or I've not got some idiot asking me questions."

In the old days, your hair stood up. Now it stands down. How come?

"I'm getting old. I'm 31. I released my first single when I was 23. No one bought it, so I changed my hair. No one bought my first album, so I changed it again. I wore it down for the fourth album 'cos it was a more rocky album. Then I realised I looked a prick in all my photos, so I've gone for this haircut, which is the first haircut I don't get abuse for."

Fellow chart-botherer Professor Green is opening a pub. What high street staple would you open?

"He was telling me about it the other day. It sounds fun. I'd open my own cinema but not let anyone else in. I love going to the cinema, but people ask me to sign stuff during the film, in the dark, which feels seedy. Now I just go to the cinema at 10am when no one bothers me.

Would you give up music for the chance to play for your beloved Fulham?

"No. I like my job more. I think quite a lot of footballers get bored – apart from during games. They train from 8am to midday, then they have nothing to do. That's probably why they all end up having affairs."

Did you, Professor Green and Plan B really all have a punch-up together?

"Yeah, we did. Five or six years ago. There were the three of us vs six of them. My eye got completely split open, and Plan B twisted his ankle – that's all I can remember."

Do you ever get trolled?

"I get sh*t from idiots all day long, but it's nothing new. People have had a go at me since I was a little kid. They call me, "funny-looking, horse, monkey-fish." I'm like, "Mate, look at my life, look at yours, get f**ked!" Or words to that effect. If you're in the public eye, people have a go at you. If you're outspoken – or have a fit wife – people have a go at you. I'm all three of these things." ▶

You're married to Australian actress Erin McNaught. Are you punching above your weight?

"Have I ever

a trombone?"

SYNTHY STAR!

He was hoping that
a butch pose might

Do you have the biggest grin in pop music?

TIGER JUICE

24 MADDEST MOVIE STAR MOMENTS!

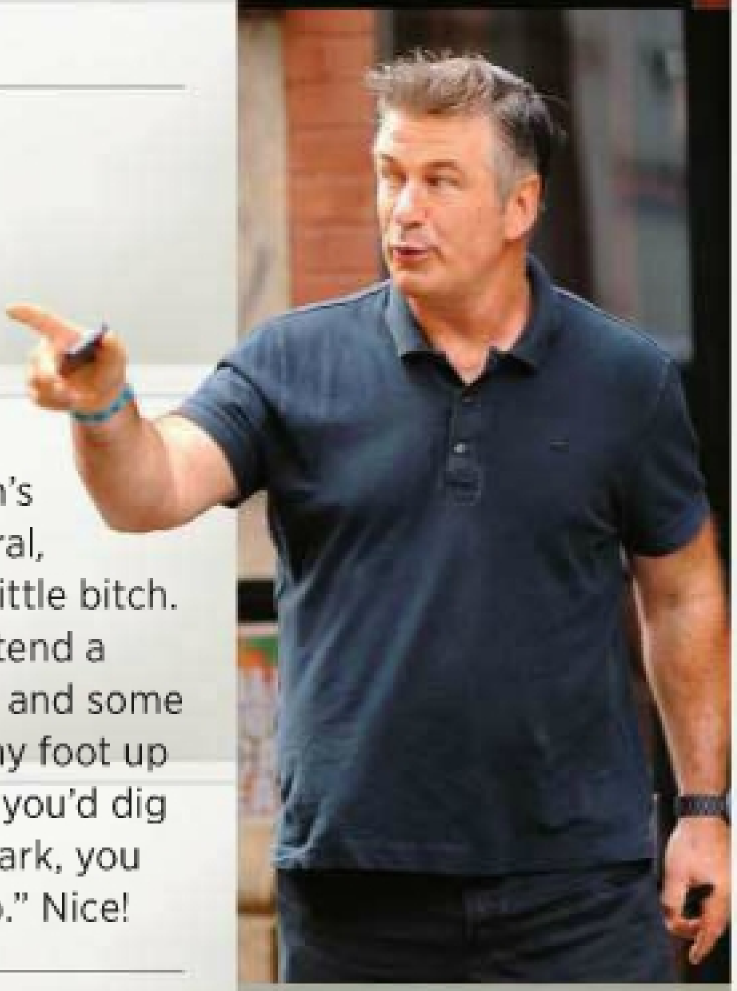
When Hollywood heroes turn brilliantly bonkers!

1 Russell Crowe's fantastic food fight! 2002

The grunty *Gladiator* star is notorious for his "artistic temperament", but even by his standards, his actions in a swanky London restaurant in 2002 were positively preposterous. Having guzzled gallons of grog, Crowe was playing a game which involved chucking dinner plates about. The diner who took the most offence was Kiwi rugby bloke Eric Watson, and the two ended up in a full-blown scrap. Bizarrely, it was Ross Kemp who broke up the barney!

2 Dennis Hopper starts WW3 (in his head)! 1982

Dennis Hopper, who died in 2010, was a Hollywood legend, but was also madder than a bag of spanners. While filming *Jungle Warriors* in Mexico, he became convinced that World War Three had started and fled, naked, into the jungle. He was put on a plane home, but became convinced it was on fire, and leapt out onto the wing as it began take-off. He was then carted off for three months of rehab.



3 Alec Baldwin – Twitter Gangsta! 2013

After a *Daily Mail* journalist accused Baldwin's wife of tweeting at James Gandolfini's funeral, Baldwin tweeted: "George Stark, you lying little bitch. I am gonna f%#@ you up… My wife and I attend a funeral to pay our respects to an old friend, and some toxic Brit writes this f**king trash… I'd put my foot up your f**king ass, George Stark, but I'm sure you'd dig it too much… I'm gonna find you, George Stark, you toxic little queen, and I'm gonna f**k you up." Nice!

4 Nic Cage reveals his dodgy dining habits! 2010

Shouty dinosaur skull collector Nicolas Cage has always been a wee bit eccentric, but he really cranked his kookiness up a few notches in 2010 when he announced he'd no longer be eating the flesh of any animal that mates in an "undignified" manner. "I think fish are very dignified with sex," he explained. "So are birds. But pigs, not so much. So I don't eat pig meat or things like that." Sure, mate.

5 Marty McFly's dad karate-kicks off! 1987

We all love *Back To The Future* and its constant outings on ITV2, so were bemused to hear Crispin Glover – the bloke who played Marty McFly's dad – went on to be a right fruitcake. On David Letterman's chat show, dressed in a wig, flares and platforms, Glover refused to answer any questions and instead, karate-kicked just inches from Letterman's face, causing the livid host to storm off his own show.

6 Wesley Snipes buggers up *Blade*! 2003

Snipes' bonkers behaviour on the set of *Blade Trinity* is the stuff of legend. He apparently insisted on staying in character at all times and being addressed as "Blade". He also refused to come out of his trailer, meaning Ryan Reynolds had to pretend Snipes was there for most scenes. When Snipes eventually did peer out of his trailer, a misunderstanding reportedly led to him trying to strangle director David Goyer, who had fake bodyguards hired to scare Snipes off!

7 *Independence Day* bloke goes bananas! 2010

Remember Randy Quaid from *Independence Day*? There's a chance you might not see him in many films after his meltdown in 2010, which saw him embark on a bizarre Bonnie-and-Clyde-style roadtrip with his wife – running up unpaid hotel bills, fleeing police, skipping court appearances, squatting holiday homes and eventually applying to Canada for refugee status, claiming that "Hollywood star whackers" – the same people they alleged killed Heath Ledger – were trying to assassinate them. Oh dear.

8 Tom Sizemore's massive fake willy! 2005

The *Heat star* has had a few well-documented run-ins with John Law. Although he's since cleaned up his act, at his very lowest/funniest point, Tom was caught attempting to pass a police drug test with a device called the Whizzinator: a prosthetic penis that releases "clean" urine. Needless to say, he, er, cocked it up. ►

9

Hoff's chilling cheeseburger incident! 2007

Thankfully, the *Baywatch* barm-cake is better now, but a few years ago he hurtled spectacularly off the wagon and starred in a homemade horror that he won't be sticking on his IMDB profile anytime soon. Shirtless and lying on the floor in only a pair of jeans, Dave had clearly had a spot of "Grandpa's old cough medicine" as he attempted to stuff a burger down his gob and apologise for his behaviour. It was weird.

10

Christian Bale's mad rant! 2009

Bonkers Batman Bale sent the jaws of the world dropping after an superb on-set rant was secretly recorded and leaked to the world. Bale bellowed to a crew member, "Am I going to walk around and rip your f**king lights down in the middle of a scene? Then why the f**k are you walking right through? What the f**k is it with you? What don't you f**king understand? You got any f**king idea? Give me a f**king answer!" The rant went on... and on...

11

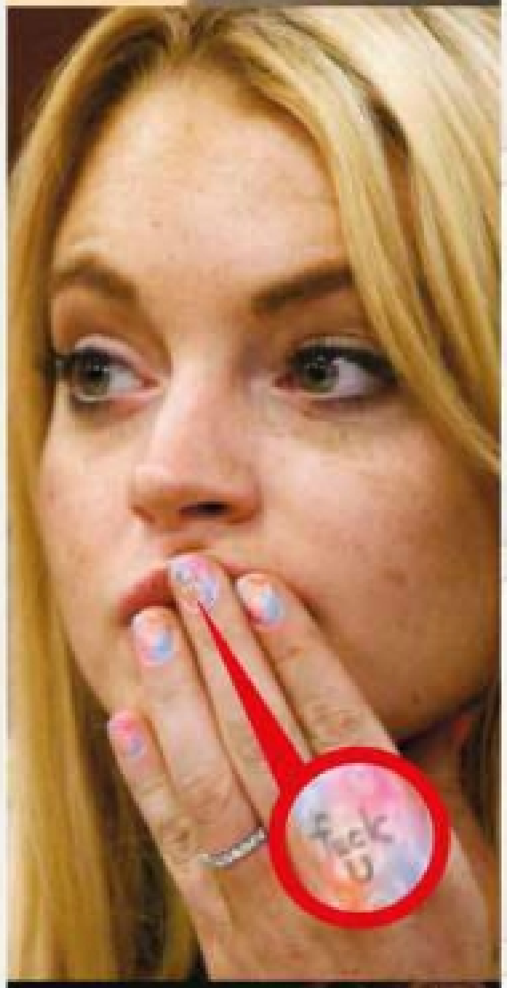
Tom Cruise turns himself invisible in public! 2004

Weird cults aside, we still think Cruise is pretty cool, and the microscopic movie man did something pretty awesome a while back. To mentally prepare himself for his role as an unstoppable assassin in *Collateral*, Cruise learned how to blend into a crowd by popping on a FedEx cap and delivering parcels in a crowded LA marketplace. Despite his barely-there disguise, not one person clocked him – even when he sat down to chat with a total stranger in a diner!

12

Amanda Bynes' worst ever year! 2013

Ex-teen star Bynes retired from acting in 2010, seemingly to concentrate on a new career as a scandal-magnet stoner who wears weird wigs. Police raided Bynes' flat and in a panic, she tossed a bong out the 36th-floor window, nearly braining a passing pedestrian. She also shaved her head, has spent much of the year posting odd selfies on Instagram, and uses her dog to shield her face from the paps.



13

James Franco sells air for ten grand! 2011

Away from movies, Franco fancies himself as an artist. His numerous loopy projects have seen him torturing teddy bears, dressing up as Jesus, directing ballets and guest-starring as the character '"Franco" on naff US soap *General Hospital*. But Franco's most profitable venture involved him flogging "invisible" (i.e. non-existent) artwork. One creation, entitled *Fresh Air*, went for $10,000 (£6,300). Bargain!

14

Lindsay Lohan tells the world to eff off! 2010

Appearing in court for probation violations, one-woman disaster zone Lohan wrote "F**k U" in titchy-wee letters on her fingernail, then repeatedly raised her hand up to her face – even while tearfully telling the judge, "I'm not taking this as a joke!" Sadly for Lindsay, paparazzi zoom lenses spotted her subtle up-yours – though perhaps that was her plan...

15

Jack Nicholson's habit! 2007

The shark-grinned star has earned himself a rep as one of Hollywood's all-time great womanisers. Asked how many children he might've unknowingly fathered, Nicholson replied, "There could be 9,000 for all I know. I used to bed four or more women a day!" Riiight then. And by the way, where do we sign up for acting lessons?

16

Tracy Morgan's short-lived pundit career! 2011

Comedy star Tracy Morgan has a talent for accidentally-on-purpose putting his foot right in it. Guesting as a basketball pundit on family-friendly sports channel TNT, Morgan somehow managed to crowbar the phrase, "Sarah Palin is good masturbation material" into his pre-game analysis! Cue an avalanche of complaints and much red-faced apologising from his co-hosts.

17

Mel Gibson leers at the law! 2006

Mel Gibson has spent the last ten years as a badass scandal machine, tirelessly churning out boozy breakdowns and face-melting tantrums. But it's hard to top his 2006 arrest for drink-driving in Hawaii, during which he failed to recognise a police officer, shouting, "What're you lookin' at, sugar tits?" at the unfortunate female cop arresting him. Not the wisest move, Mel, you big drunk Aussie bozo.

18

Sean Penn shoots at copters! 1985

Sean Penn and Madonna's buzzed-about 1985 wedding was held in a secret, secluded location – or, at least, that was the plan. When paparazzi got wind of the nuptials' whereabouts and began circling overhead in helicopters, Penn fetched his gun and began firing rounds off at them. Fortunately for everyone involved, he was a rubbish shot.

19

Kiefer Sutherland fights a Christmas tree! 2006

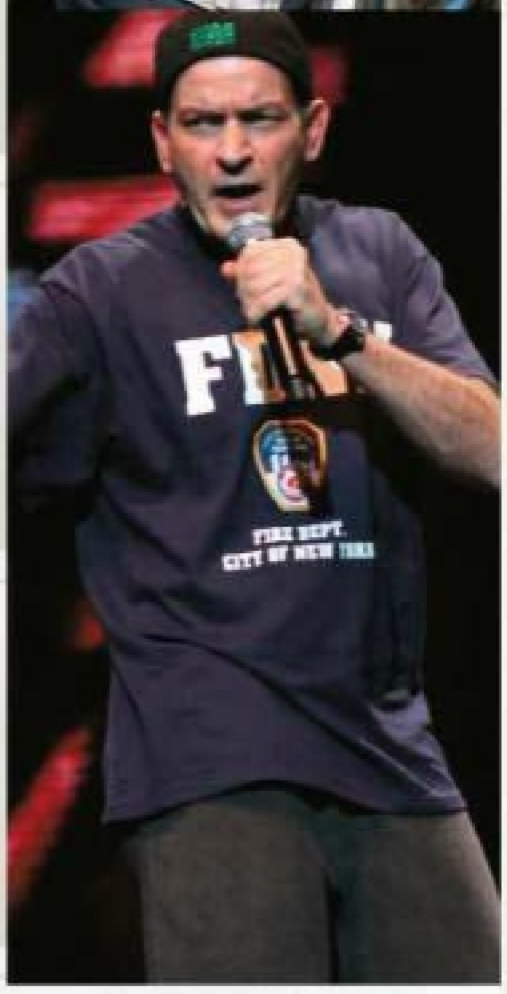
Having enjoyed a drink or 12, *24* star Kiefer launched himself at a huge Christmas tree in a London hotel, wrestling it to the ground as horrified hotel staff looked on. "It was a dare," he sheepishly explained later. "Unfortunately, there are things that I find funny at two o'clock in the morning that aren't funny at ten o'clock the next day." All been there, Kief.

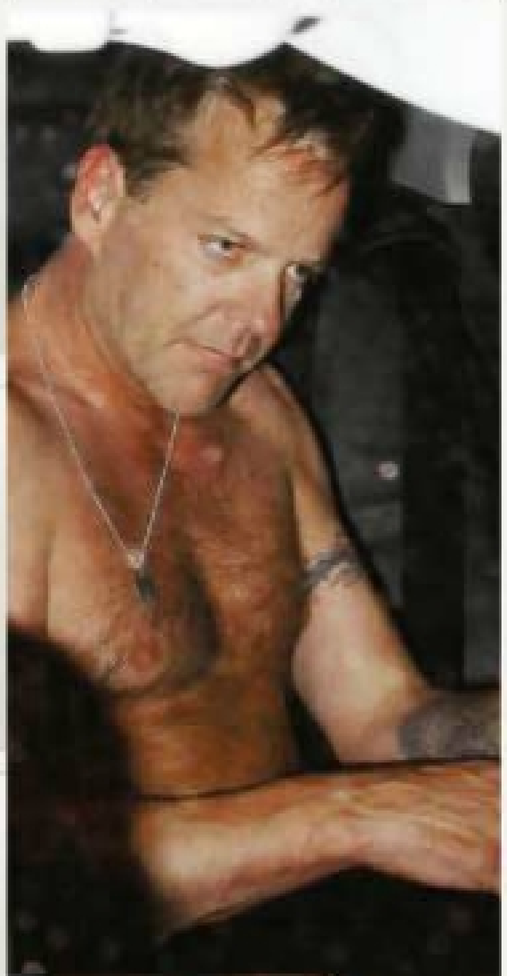
20

Angelina Jolie has bad-girl slicey sex! 2004

Before becoming one half of Brangelina, Jolie was a girl-dating, sex club-visiting, brother-snogging mega-perv. Her kinkiest kink involved her impressive knife collection, which she used for S&M freakiness: "You're young, you're drunk, you're in bed, you have knives – sh*t happens." She sports at least three permanent scars from saucy knife-play. We can feel your mind boggling from here.

WORDS: JOE MADDEN PHOTOS: REX FESTURES, ALPHA, XPOSURE, PACIFIC COAST NEWS ILLUSTRATION: BILL McCONKEY





21

Clint Eastwood has a barney with a chair! 2012

Clint stole the show at a Republican convention by unleashing a bizarre stunt that involved him berating an empty chair. The *Dirty Harry* star directed his anti-Obama fury at a piece of furniture. Eastwood said to the chair, "So, Mr President, how do you handle promises that you have made when you were running for election... What do you say to people?" to which the chair did not respond. This went on for 15 minutes.

22

Charlie Sheen's rants! 2011

The Hollywood hothead's meltdown has some one-liners that deserve to be remembered. "They picked a fight with a warlock," he said of his bosses at CBS. And let's not forget this gem, when he was asked if he'd taken narcotics: "I am on a drug – it's called Charlie Sheen." Oh, and then there was this: "I'm not bi-polar, I'm bi-winning." OK Charlie, let's get you a hot drink...

23

Daniel Day-Lewis "disables" himself for a role! 1989

Famously, Lewis will do *anything* to get himself into character. To play a guy with cerebral palsy in *My Left Foot*, he remained fully "disabled", even when the cameras were off. The crew had to carry him around and he refused to eat food that he wasn't spoon-fed.

24

Joaquin Phoenix quits acting for rapping! 2008

Signs star Joaquin Phoenix announced that he was retiring from acting to become a rapper. Fair enough. He then spent the next two years appearing to do exactly that: he made no movies, and his only public appearances involved shambolic rap performances. As it turned out, however, the whole thing was a massive prank – a very long-winded and strange prank that nobody got. ✖

EXCLUSIVE!

It's Billie Faiers!

The *TOWIE* star bounces back into *Nuts*!

TOWIE ON THE TELLY!

You can catch up with Billie in two brand new hour-long *TOWIE* specials coming to ITV2 next month!

“Girls up in Manchester are so hot!”

Hello Billie! Welcome back! You're looking more amazing than ever. What's your secret?
Hi *Nuts*! I'm just eating healthily, drinking lots of water and being good in general. But I'm going hardcore now – I'm going to see this bloke four times a week to do circuits and weights. It's a toned-down version of a male workout.

Surely you enjoy the odd bit of junk food like the rest of us?
Ha-ha! I just make sure – if I see any photographers – that I'm not collared wolfing down a burger or leaning over in a rude position!

There was a brilliant picture of your sister Sam falling into a hedge the other week. Have you been teasing her about that?
Yes! She kept crying, "I don't even know how it happened!" We kept saying, "Mind the bush, Sam!" Ha-ha!

What was the last thing you fell into on a night out?
Nothing! Only slipping on wet dancefloors.

Who's the worst-behaved sister out of the two of you?
Sam's always out so she's the most wild. In fact, she's out every night of the week, getting lots of attention. We've nicknamed her "The Magnet" because she gets so much attention. I thought I'd be dragging her over to chat to blokes but we haven't had to – they all just come over.

So there's absolutely no chance of her getting back together with Joey Essex?
No! I don't think any time soon. She's out there having far too much fun. I doubt she's missing him.

Are you tempted to go in the *Big Brother* house, hot on the heels of Mario et al?
If the opportunity came along and the timing was right I ►

wouldn't rule it out. But I'm enjoying *TOWIE* so much at the moment. The thing people don't realise is the boredom. There's literally nothing to do. I couldn't handle that!

How's your shop Minnie's doing? We hear you plan to take over the North...
Yes, we've been to Manchester! The girls up there are so hot. They're equally as glamorous as the girls in Essex – fake tan, heels, nice clothes, the lot. They love it!

Have you ever had to tackle a shoplifter in your store?
I dunno! I guess we probably have – but I haven't cornered anyone there yet myself. My Mum said one of our jackets went missing. We need to step our game up, I think. Sometimes we have to lock the shop when it gets too crowded – there's always a queue to get in!

You went to Marbella recently. How does it compare to Essex seaside jewels Leigh-on-Sea and Southend?
I went to Leigh recently and loved it – I like all the cockle sheds. I used to go to Southend all the time when I was a little girl and I still love it. I'm not a snob, you know!

What's been your favourite ever row on *TOWIE*?
The one that always sticks in my head is when is when Kirk Norcross shouted at Maria Fowler, "You're just a f**kin' extra!" That was amazing. I also like any rows involving Gemma Collins – she's awesome.

Have you been back to that pedicure bar where you and Chloe Sims had a row?
That was so awkward. I went back to the lady who owned the salon and apologised, but it wasn't me who was doing the swearing and shouting – it was Chloe and the other lot. I've smoothed it over now and can still get my nails done there, which is the good thing. ▶

"I wouldn't rule out *Big Brother*!"

“I want to do
a Kardashians-
style TV show!”

What's the worst thing you've ever said on camera?
Ugh, I told a disgusting joke. My mum was so cross – it was: What's green and smells of pork? Kermit's finger!

That's a perfectly acceptable joke! Which character from *TOWIE* would you most like to banish?
Nobody, we're like a big family. There isn't anyone I'm really sick of – yet!

Are you speaking to Chloe again yet?
No! To be honest we were never really proper mates. Because we were always filming together, it meant that we spoke and chatted and that, but we would never make an effort to go out or text each other otherwise. There's no love lost there, really.

We've heard a few rumours about a new TV show you're making with Sam. What can you tell us about that?
There's nothing happening. I'd love to do a Kardashians-style show with the whole family but there's nothing going on. We need to make it happen!

What do you think of people lobbying supermarkets to stop selling *Nuts*?
I think it's a bit extreme – it's like asking a whole industry to cease to exist! The covers aren't distasteful – you never see any parts of the body that you couldn't see in the street anyway!

Thanks, Billie. Finally, What storyline would you like to see in the next series of *TOWIE*?
It'd be amazing to have a *TOWIE* wedding at last. I'd love it if Gemma Collins and Arg got married – that'd be a bit special!

We assume *Nuts* would be invited, right?
Er, I'd have to think about that. Ha-ha! ✖

Toronto-set sci-fi dramas aren't exactly ten a penny, which is a shame if they're all as good as this. THIS WEEK!

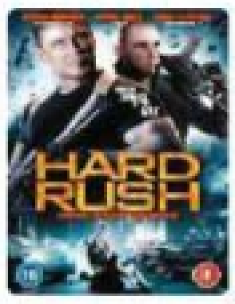
Hard Rush starring Dolph Lundgren!

Our new out-of-office-hours popcorn party kicks off in style!



HARD RUSH
23 September • 15

We love films here at *Nuts*. So we got to thinking, if we could find ourselves somewhere cool to watch DVDs, we could all hook up after work, get the beers in and have a cheap night in! This week we got our hands on *Hard Rush*, the new Dolph Lundgren actioner and it rocks!

In this dark and dangerous thriller, nightclub-running hustlers Frank (Daniel Bonjour) and Eddie (Gianni Capaldi) make a *Scarface*-style play for the gangster big time. But it's not long before they find themselves in too deep...

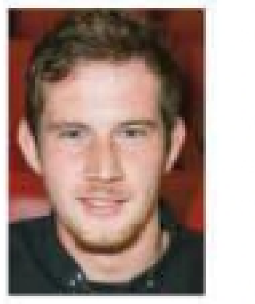
Which is where Dolph comes in, as DEA agent Maxwell, going toe-to-toe with psychotic drug lords and bent coppers on the mean streets of Los Angeles!

The cast is packed with *Nuts* faves, including Vinnie Jones as a nutcase crim, and former UFC world champ Randy Couture busting some killer MMA moves as a dodgy cop.

The tension builds to a bullet-riddled showdown and a fight scene between Dolph and Randy, that had us flinging our popcorn around in excitement. The perfect bloke film for you and your mates!

Verdict...

Here's what we think...



***Nuts* Man Ross says:**

"Randy Couture is terrifying. I wouldn't spill his pint!"

***Nuts* Man Tom says:**

"It's not all muscly blokes – the girls in the strip club scene? Hot!"

***Nuts* Man Tim says:**

"Vinnie Jones is well scary – all that gore will give me nightmares!"

10 RUDE QUESTIONS!

And a real girl to answer them!

Joja

22 Lancashire

1 Where's the best place you've had sex?
"There was one time in the woods. We were out on a walk in broad daylight and it was totally spontaneous. It was a really exciting experience, but it was pretty messy because it had been raining, so we were both covered from head to toe in mud. Oops!"

2 What's your trademark move in the bedroom?
"Reverse cowgirl is always a firm favourite of mine because of my sexy bum. I'm told it's a big turn-on. I also love that the bloke can then pull my long hair. Just being able to hear my reaction is a big turn-on too, apparently."

3 What really turns you on?
"I love being undressed by someone slowly and kissed from head to toe. Oh, and not forgetting a bit of foreplay with some vibrating toys. I love being wound up for ages!"

4 What's your favourite position?
Doggy style, especially in front of a mirror. I love being able to see him. It drives him crazy when he sees me like that too."

5 Is it better to give or receive?
"Giving's way better. I love seeing a man's face as I look him in the eyes and drive him wild. I love receiving too, but only when I've got him wound up first. He has to know what he's doing in that area."

6 Have you ever got it on with another girl?
"I've had a kiss before but that's about it. I'd give it another shot if she was hot, though. It would also be a big turn-on for a guy to watch. I think I'd prefer a blonde – I hear they're naughty!"

7 Ever made a sex tape?
"Not yet. It'd be like our own naughty video to get us in the mood. Maybe we could do some role-play in sexy outfits!"

8 What's the rudest thing you've ever done?
"I had sex in a public hot tub once. Although there was nobody else in there, the steam room and pool next to it were full so we had to be quiet!"

PHOTOS: SCARLETT STUDIOS

9 What's your favourite sexy outfit?

"I love my lace bodies – they show everything. I'm also a big fan of suspenders and I like dressing up in my sexy nurse's outfit as well."

10 What one thing would you really like to try but haven't yet?

"I'd like to be naughty in a car at night somewhere busy. The fear of getting caught would excite me!"

CONFESSION OF THE WEEK!

'My frisky office friend'

WHEN A sexy new line manager started at my work, we immediately began flirting, sending cheeky emails to each other. After a week, he summoned me to his office. It all started innocently but then he blurted out how horny he was! I went over and sat on his desk with my cleavage in his face. He groaned and ran his hand up my thighs. He then ripped a hole in the crotch of my tights and pushed his fingers inside. In seconds he had his trousers off and was rocking me back and forth on his desk. I can't wait till our next meeting!

'Everyone heard us!'

LAST WEEKEND, me and my boyfriend went to a family party, but we ended up having a silly argument and I stomped off to one of the bedrooms. A few minutes later, he stuck his head round the door, saying he was sorry. He looked really sexy so I walked over to him put my finger to his lips and threw him on the bed. I started stripping and told him that he'd been a naughty boy as I released his manhood and took him inside me. I was moaning with pleasure and had to bite a pillow to stop myself screaming. Minutes later, we both climaxed but on our way out, I noticed a red light blinking. Imagine my horror when I realised the light belonged to a baby monitor and everyone in the lounge had heard us. I don't know who was embarrassed more – us, or his entire family!

Kat Devon

'Girl-next-door festival fun'

MY NEIGHBOUR and I went to V Festival last month and had an amazing time. As Rita Ora sang and gyrated in front of us, we started dancing really close. I was wearing a short skirt and my neighbour ran her hands up my thighs. I put my hands on her bum and gave it a cheeky squeeze. The crowd was now enjoying our show and seeing the lust in the boys' eyes made me really horny. I moved my lips towards hers and all of a sudden we were passionately kissing, forgetting the crowd. We shared a tent all weekend, so I'll leave the rest to your imagination!

Cathy via email

'A birthday surprise'

I'VE BEEN seeing a new guy and we've both been trying to fulfill each other's fantasies. His was the classic threesome so, after his birthday party, unbeknown to him, my friend was waiting back at my flat. I saw his jaw drop as she spread out on the bed waiting for us. I started to take my clothes off as my friend began to pleasure my man. Just watching her take him in her mouth was getting me wet. Then my boyfriend took me from behind while I pleasured my friend lying in front of me. As he took me harder and faster, I could feel I was almost ready to come. Just as I came, my friend gasped beneath me and we all fell into a climaxing bundle of bodies. She comes round every week for a repeat performance now!

MANCHESTER DERBY SPECIAL!

Fellaini: 'United are my dream!'

The midfield maestro on his new home!

Hi Marouane! So how's it feel to be a Man United player?
Incredible! I'm part of the biggest club in the world. I knew there was a chance that this was going to happen, so I'm relieved as well as happy to see everything come together.

Was it a bit nerve-wracking when the transfer went right down to the wire?
Well, yeah! I wanted it to happen so much. It was a long day. From playing as a boy, I dreamed of playing for this club and now it's a reality. I've worked very hard to get here, but the real hard work, to make a success of my career in Manchester, starts now.

Was it hard to leave Everton?
I love Everton – they're good people who I admire and respect. I'll never forget them or the fans because they gave me my first chance to play in the Premier League and they gave me a lot of confidence. But you have to follow your dream. I hope both our futures are very successful.

What do you think you can bring to Man United?
I'll give everything to win trophies. I have the passion and I'm very experienced now. United are conditioned to be successful and I hope I can contribute something to this. There are some incredible players here so it's up to me to get the manager to play me.

How important was David Moyes in you signing?
I enjoy his management. I respect the way he works and we have a good relationship. It's gratifying that he worked hard to make me his player again. He's part of a new experience and I'm honoured to be included.

Can United retain their title?
There are a lot of potential top teams, all fighting. It will be difficult but we have the quality to finish first. Manchester United's history is all about winning trophies and I can see this continuing. I have a lot to look forward to, including hopefully playing in the Champions League. It's a dream come true.

They agreed to share the raffle prize

"Brr... bit parky here, innit?"

Touré: 'English football leaves me breathless!'

City's midfield engine on the Pellegrini era!

Hi Yaya! How's life under the new boss?
Things are very good. We're enjoying Mr Pellegrini's approach. We play more in the Spanish way, which means more attacking, which is exciting. But the most important thing is the results and trying to win the title back.

How much of a blow was it to finish second to Man United last season?
It was disappointing. It's disappointing for anyone to finish ahead of us though, but you have to remember that we came second in the league. For a club that went so long without winning anything, that's OK. But that doesn't mean that we're not desperate to do better. I like the way the fans have behaved towards me and I want to give them something to cheer for.

Is that why you signed a new four-year deal at the end of last season?
I want to finish my career at Manchester City and hopefully by the end I'll have played an important part in their history. I've always said I was here to be part of an incredible journey, building the club up to be one of the best in Europe. We've come a very long way and I can see us always improving. The goal is to win every competition we're in – that's the only way to look at football.

What about the Champions League? You've struggled in Europe in recent seasons.
Yeah, we have to improve here. Maybe we just need some luck – not just in games but also with the draws we're given.

A lot of people are tipping Man City as title favourites.
We're getting stronger every year and the quality of the players gets better and better. There's also a hunger in the team, big characters who know what it means to play for an important club. After last season we looked at what we could do better and now we've moved on to another level. We've made some top signings, but it's results that do the talking.

It sounds like you really enjoy English football.
It's fantastic. Every game's so fast, so physical, so competitive. You always fight, even against the smaller teams. It's difficult to get your breath but I guess that's the way I like it!

England have to lose the fear factor!

Roy's boys won't win trophies playing like they have been!

I WAS in Kiev for the Ukraine game. I know the reaction in the UK was one of boredom, but the result was paramount – imagine the furore had England lost.

But there seems to be a fear factor – I was at their training session the night before, and those lads can pass the ball and receive it as well as anybody. I know that wasn't a match, but it was high intensity. Roy even told me afterwards that they weren't even at their best.

But something happens when they get out on the pitch – they become scared. Whether it's the weight of expectation or the desire to not be the man who makes a mistake, I don't know.

Against Ukraine, I never felt England would lose, but how are they going to win trophies playing like that? They don't seem to have a system they're happy with. But they're top of the group and that's the main thing.

England are still using the "if in doubt, hoof it up the pitch" method, but that won't win anything.

"Don't go thinking you're too big for a smacked bum!"

It's time for Trap to hit the golf course!

I KNOW a lot of people who played under Giovanni Trapattoni and they all say what a good coach he is, a man who uses innovative methods and gets the best out of his players. But I wonder whether the Republic of Ireland job was beyond him. Sir Alex Ferguson got out at the right time. Trapattoni's older than Sir Alex and maybe he should follow his example.

Trapattoni was desperate for success with the Republic of Ireland, but sometimes your methods cease to have the same effect that they used to.

We know the kind of managers who have helped the Republic succeed – Jack Charlton, Mick McCarthy, people who'll get players to die for the cause. I think they'll appoint someone in that vein to replace Giovanni, who has earned the right to head for the golf course.

Losing to Luxembourg is a shocker for Northern Ireland!

I'LL MAKE no bones about it – Northern Ireland's defeat to Luxembourg is almost certainly the worst defeat in the national team's history.

I'm sure that boss Michael O'Neill went into that game thinking that this would be an ideal one to launch his career in earnest – instead, people have probably been left believing he's not the man for the job.

Everyone was so proud of their performance against Portugal – they really ran them very close – and then they went from that to utter humiliation.

I think a lot of Northern Ireland fans will have noticed that one of their former players, Martin O'Neill, is out of work, but I'd imagine that the Republic of Ireland might be giving him a call soon.

"My long-lost identical twin!"

"So, if I flap really, really hard, I'll take off, right?"

Champagne's on Ice for David!

DAVID JAMES has just played his 1,000th professional game and it's a fantastic achievement. For those who don't know, he's now keeper at the Icelandic club IBV, playing under his old Portsmouth team-mate Hermann Hreidarsson.

I'm overjoyed for him. He could have concentrated on his career for a certain sports channel I won't mention! But he still has that desire and drive to keep on playing.

Some people say you should play for as long as you possibly can, and David clearly still has the physique, the fitness, the passion and the bottle to carry on. I'd never knock anyone for wanting to play, least of all a legend in the game like him.

CHAMPIONS LEAGUE SPECIAL!

How will the Brit teams fare?

Euro football clever-clogs Gabriele Marcotti rates our teams' opponents!

INTERVIEW: PETE CASHMORE PHOTOS: ACTION IMAGES, ALPHA

GROUP A: MANCHESTER UNITED

"**Shakhtar Donetsk** gave Chelsea a scare last season, but they return to the Champions League radically overhauled after cashing in on some of their stars. Midfield general Henrikh Mkhitaryan and Willian have both left and it'll take time for this Shakhtar side to come together."

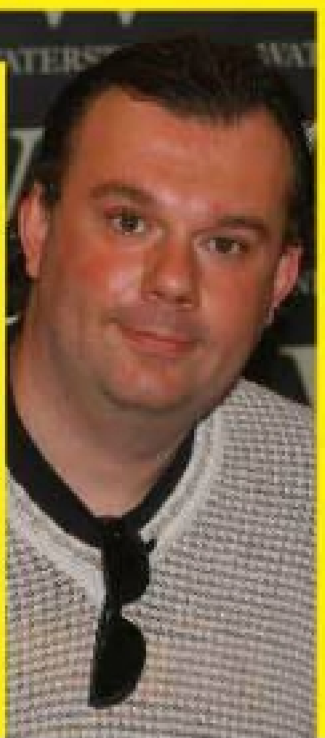
"**Bayer Leverkusen** reflect their manager Sami Hyypia: big, solid and direct. Leading the line for the German side is Stefan Kiessling, a big, strong centre-forward whose 25 goals last season in the Bundesliga were still not enough to get him a recall to the national side."

"**Real Sociedad** shocked La Liga last season with a high-energy side packed with gifted youngsters. Attacking midfielder Xabi Prieto is the club's emotional heartbeat, and there's plenty of quality up front too, with volatile Frenchman Antoine Griezmann and former Arsenal striker **Carlos Vela**."

VERDICT: "Should finish first without much trouble."

LONDON CALLING!

Gabriele will be keeping a close eye on Groups E and F – he goes to watch both Chelsea and Arsenal!



GROUP D: MANCHESTER CITY

"**Bayern Munich** are the side nobody wanted, though it's tough to take stock of the defending champions following the arrival of Pep Guardiola. The full-back pairing of Philipp Lahm and David Alaba may be the best in Europe, likewise the wingers, Arjen Robben and **Franck Ribery**."

"**CSKA Moscow** are Russia's most consistent team in recent years. They won the title last season for the first time in seven years thanks to their hallmarks: defensive organisation, nous and an ability to grind out results. Look out for Brazilian wonderkid Vitinho. Eighteen months ago, the teenage striker was kicking the ball around in a favela, now he's on the fringes of the Brazil team."

"**Viktoria Plzen** have a veteran team, with most of the regulars having played together for some time. The last time they were in the Champions League, two years back, they held AC Milan and finished on a decent five points."

VERDICT: "Playing Bayern at the right time. Second."

GROUP E: CHELSEA

"**Schalke 04** should pose a serious challenge. Striker Klaas-Jan Huntelaar is a consummate finisher, midfielder Roman Neustadter is a force of nature, teenager Julian Draxler, is one of Europe's bona fide up-and-comers and defender Benedikt Howedes is a natural, charismatic leader. Plus, they've added the irrepressible **Kevin-Prince Boateng** and dynamic defender Felipe Santana to the mix. Overall, they're a gifted but unpredictable side."

"**Basel** may have run out of steam after routinely selling off their best players, year after year."

"**Steaua Bucharest** owner George Becali won't be at Stamford Bridge because he's in prison for defrauding the Romanian government! The fact that they had to find a centre-forward by taking one who was playing for a side in the Italian second division last season, Federico Piovaccari, tells you everything. They're very vulnerable."

VERDICT: "They simply have too much firepower. First."

GROUP F: ARSENAL

"**Marseille** can't keep up with big-spending Monaco and Paris Saint-Germain, but they've added some genuine talent in the veteran Lille duo Dimitri Payet and youngster Florian Thauvin, both of whom have add some much-needed creativity in the final third. André-Pierre Gignac is scoring again after a horrible 2011-12 in which he contrived to score just one goal."

"**Borussia Dortmund's** Pierre-Emerick Aubameyang, is a livewire striker who seems tailor-made for Jurgen Klopp's high-intensity approach."

"**Napoli** cashed in on Edinson Cavani, and boss Rafa Benitez went to Real Madrid for striker Gonzalo Higuain, winger José Callejon and defender Raul Albiol. They join a group which already includes box-to-box midfielder Gokhan Inler, starlet Lorenzo Insigne and, especially, **Marek Hamsik**, the mohawked midfield goal machine."

VERDICT: "The year they don't go through. Third."

GROUP H: CELTIC

"**Barcelona** have had a busy summer. Lionel Messi was charged with tax fraud, homegrown midfield starlet Thiago Alcantara used his release clause to walk out and join Bayern, and manager Tito Vilanova stepped down to undergo more cancer treatment. But there's plenty of excitement surrounding Brazilian superstar Neymar."

"**Ajax** have cashed in. The Dutch giants sold Christian Eriksen to Tottenham in the summer and defensive stalwart Toby Alderweireld to Atletico Madrid. But they have plenty of youth, in particular up front with 19-year-old Danish sensation Viktor Fischer."

"**AC Milan** signed **Mario Balotelli** in January and went on a run that turned their season around, qualifying for the Champions League and giving Barcelona a scare in Europe. Alas, they've not really built on it. Kaka's back after four seasons, but their defence is vulnerable."

VERDICT: "It's too big an ask to go through. Third."

Who'll win it…

"I see an all-English semi-final between **Chelsea** and **Manchester United**, with the Londoners shading it over two legs. **Barcelona** will come up against Juventus in the other semi and it will be the Italians who have too much quality for a transitional **Barça**. And I'm afraid Jose Mourinho will not be adding another Champions League to his list of achievements this season – Juve will just be too strong and organised."

- Champions League Matchday 1, 17-18 September, live on Sky Sports and ITV.
